THE COLISEUM: ONE OF THE WORLD'S TRULY GREAT STADIUMS

Aerial view of Coliseum, Nov. 18, 1967, USC vs. UCLA, 90,780 fans. On left, Coliseum Swim Stadium. On right, the Sports Arena.

No other stadium in the world or in sports history has the rich football tradition that belongs to the Los Angeles Memorial Coliseum.

Certainly the University of California, Los Angeles, more popularly known as UCLA in all circles, has been no small part of the world-renowned tradition.

The Coliseum, built in 1923 and enlarged for the Olympic Games of 1932, is best known as the world's greatest football stadium.

After the enlargement for the '32 Olympics, the Coliseum held attendances of 100,000 persons and upwards. The largest crowd to ever attend a Coliseum event was the 134,254 for the last night of the 1963 Billy Graham Crusade.

In 1947 an immense gathering of 105,236 was on hand for a college football game—a stadium record, among other things.

Although the huge saucer is just at the 50-year mark in age it has kept up with "the Jones," so to speak, with over $5 million worth of improvements in the last 25 years alone and many say it is more modern now than many of the brand new super stadia and looks better than it did upon completion of construction.

UCLA football fortunes have had many a brilliant moment in the Coliseum and three games with its arch cross-town rival USC have topped the 100,000-mark in attendance. Also in 1947 a throng of 102,938 was on hand for the Bruin-Trojan fracas. 102,546 saw the two teams have at it in 1954 and in 1939 there were 100,355 in attendance.

But it is the "modern day" Coliseum that will stick more in the mind of the loyal Bruin fan. Since 1964, when theatre-type seating was installed in the great stadium, cutting the seating capacity by over 7,000 to the present 93,791, UCLA has had some of its greatest moments.

Obviously the rivalry with USC has burned on even stronger and in two out of the last four seasons, although the super cross-town clash has been on live local TV, it has been a complete sellout weeks in advance and the games have been equally as dramatic.

Director, Public Relations, Los Angeles Coliseum

Welcome Back, Pepper Rodgers . . .

A FOOTBALL COACH OF MANY QUOTABLE QUOTES, TO WIT:

"I don't plan on being like Tommy Prothro or Bobby Dodd or anyone I've been associated with in football. You learn from the great people that you've worked with, but, as they say in the modern vernacular, I plan on doing my own thing."

"Basically, I'm not a consistent guy in football. You have to be consistent in teaching, but strategically you have to be inconsistent."

"A boy can learn a lot about life in football. If he's successful in football, he has a good chance to be successful in life. In football you have to learn to take pain without showing it. You have to do the same thing in life. Your job isn't going to go just the way you want it to every day, but you can't quit just because it isn't."

WHY PEPPER?

Franklin Cullen Rodgers, Jr., was born Oct. 8, 1931, in Atlanta, Ga. The event coincided with the World Series in which Pepper Martin sparked the St. Louis Cardinals to the championship over the Philadelphia Athletics. One of the new baby's grandfathers was so smitten with the swashbuckling exploits of Martin in the series that he nicknamed his grandson "Pepper" and the name has stuck with Rodgers throughout his life.

"I'm not afraid to take a chance. The thing I don't worry about is failure. That's why most people are afraid to take a chance. Everything we do we have practiced. And we have practiced it enough to know the odds are in our favor."

"I don't believe you can get morale from signs or pep talks. I remember Bobby Dodd (Pepper's coach at Georgia Tech) used to say the team that goes on the field with tears in its eyes can't see who to block."

"You feel pressure only when you feel you're not qualified to do the job. I've been in a lot of pressure situations . . . on the free throw line at the end of a game, batting with two out in the ninth inning or facing an important field goal. But the most pressure I ever felt was back in junior high when I was third

clarinet in the school band. I had been faking it all the way. I was no good. Then one night the first two clarinetists got sick and I had to do a solo. If I had known the first two were sick, I would have been sick, too. That's pressure."

Referring to his high school playing days in Atlanta: "I was a triple-threat quarterback—threatened to quit three times."

Pepper was once asked for his philosophy of life. "To live every day like you're going to die tomorrow and work every day like you're going to live forever," was his quick reply. Then he chuckled. "You know where I learned that? From a preacher at a filling station."

"Good breaks sometimes come, if your people are quick and there."

"I don't think there is a coach in America who doesn't think his team can win every game. I'm an optimist. I've played a lot of golf against guys who were better than I was. I didn't always win, but after it was over I still thought I could have."

"Football is like chess. You lose by making mistakes. If both teams made no mistakes, it would be a draw."

"Morale comes from a lot of things, but mainly you have to prove to yourself you can do certain things and you have to develop a sense of camaraderie. Playing football requires a lot of sacrifices. The majority of football players go through a whole career and never touch the football. How many people can name the offensive guards from last year's All-America team?"

"It's nowhere near as much fun to lose as it is to win. But you find the sun does come up the next day."

THE COVER

The cover, designed by artist Grant Swanlund of the UCLA Printing & Production Dept., catches the spirit of Bruin Football '71. Naturally, a picture of new head coach Pepper Rodgers and All-American center candidate Dave Dalby is most pertinent. UCLA's famed script signature stunt by the rooting section and the equally famed Marching Band in action are two other colorful Bruin football features.

THE 1971 BRUINS

RETURNING VETERANS — 36 returning lettermen from a team that was 6-5 in 1970 and came within a hair of several other startling victories. Returnees include: Offense—three ends, three tackles, three guards, two centers, three running backs, three flankers and two kickers. Defense—one end, three tackles, six linebackers, two cornermen and five safetymen. Of the returnees, the following started games: Offense—Dave Dalby, c, 11; Brian Goodman, rg, 11; Bruce Walton, rg 11; Bob Christiansen, re, 11; Greg Pearman, lt, 10; Craig Campbell, re, 11; Greg Snyder, lb, 11; Allan Ellis, lc, 11; Jim Berg, re, 10; Bob Pifferini, lb, 10; Ron Carver, qs, 7; Frank Jones, lc, 3; Phil Hendricks lb, 2; Paul Moyneur, lb, 2; Jerry Jaso, ss, 2; Jack Lassner, lb, 1; Rob Scribner, lb, 1; Vincent Mok lb, 1; Max Knupper, lb, 1; and Alan Lemmerman, qs, 1. The reason for so many starters in some cases was an unprecedented number of injuries at some positions. There have not been numerous position changes since Coach Pepper Rodgers' first Spring Practice, mainly that some players have returned to positions they played before injury adjustments had to be made. With something in the Bruin offense for both new quarterbacks, Mike Flores, a transfer from Santa Monica City College, and Clay Gallagher, from Glendale City College, and a strong contingent of running backs, including Marv Kendricks, who led the Bruins with 107 carries, 573 net yards and a 5.4 average, and James McAlister, the heralded sophomore, the UCLA attack may be a more balanced variety. The offensive line, led by All-America Candidate Dave Dalby, the best center in Bruin history, Bob Christiansen, the top tight end in Bruin annals, appears capable of giving the backs room to operate. As of the Spring, however, Gary Campbell, Lyman and Vernoy, because of injuries, and Echols, because he was running on the track team, were unknown quantities on this new squad. There is room, however, for their known talents when they return and are healthy. Defensively, the Bruins may be very strong. With a pair of fine linebackers in Snyder and Pifferini, Craig Campbell, now a right tackle, and Jim Berg, now a left tackle, plus exciting and explosive defensive backs like Ellis and Carver, the Bruin offense might be able to get the ball more often in good field position.

LOSSES—12 lettermen, including: Offense—one end, one tackle, one guard, two quarterbacks and two running backs. Defense—two ends, one tackle, one cornerman and one safetyman. Following are the starters lost: Offense—Dennis Dummit, qb, 11; Bob Bartlett, lg, 10; Rick Wilkes, le, 8; Arthur Sims, rb, 6; Bob Manning, rb, 5; Steve Freitas, rt, 1. Defense—Tim Oesterling, lt, 11; Reynaud Moore, rc, 11; Doug Huff, rs, 9; Tom Daniels, le and lb, 2; and Bruce Bergey, le, 1; Oesterling was a tower of strength in the line and the defensive backs were outstanding, but Daniels and Bergey were held back by injuries.

PROMISING SOPHOMORES — James McAlister, the 6-1 195-pound school record holder in the long jump, is one of the great natural young runners. The former Blair High School star last Fall led the undefeated Bruin frosh in rushing with 66 carries for 360 yards and a 5.45 average and led in both punt and kickoff returns. Charlie Schuhman, 6-0, 200, is another running

back possibility. Defensive End Cal Peterson, 6-4, 200, and right tackle Tom Waddell, 6-3, 215, are also others up from the frosh, along with defensive right end, Fred McNeill, 6-3, 198, and split receiver Oscar Roan, 6-6, 200.

OFFENSE—UCLA will depend less on the pass although Coach Pepper Rodgers is an advocate of the explosive attack. He hopes to have a balanced attack to dictate what the opposing defenses will do. Actually, most fans will see little change in the general style of the Bruin alignment.

PASSING—While Santa Monica City College Transfer Mike Flores is a fine pure passer with a quick arm and good poise. Glendale City College Transfer Clay Gallagher gives the Bruins a change of pace at quarterback with more balance between passing and running. The Bruins will have several fine receivers returning, however, including Christiansen, who caught 32 passes for 496 yards and four touchdowns last Fall. Right behind him was Vernoy with 26 for 420 yards and three TD's and Echols with 19 for 349 and one. Also, Roan and Clayton will have to come in for consideration after their showings in Spring Practice.

RUNNING—Marv Kendricks came along fast last year and led the Bruins in rushing, followed in third place by his alternate, Randy Tyler (80-364-3TD) and starting Fullback Gary Campbell (83-355-3TD). Their talents will be augmented by those of James McAlister, of whom the railbirds are already predicting stardom despite the fact that he has yet to carry the ball in a varsity intercollegiate contest. Dom Mancini and Bob Ferrell, both sophomores, have also shown flashes of excellent running.

KICKING—Junior Bruce Barnes last year led the Pacific-8 with his 40.8 punting average and should be better this year. He also kicked 10 out of 11 PAT's and three out of nine field goals. Clayton Record is also a steady punter with slightly less length than Barnes. He booted eight out of 11 PAT's and three out of four field goals. He, too, is a junior.

DEFENSE—There will be little new, including the names of the players. Most of the strength is up front, including Linebackers Pifferini and Snyder and middle Guard Mike Pavich, but the defensive secondary will also give a good account of itself although there is some lack of depth.

OFFENSIVE LINE — All-America Center Candidate Dave Dalby anchors a strong front wall that includes five fine returning starters; and the size is there that should get a good job done. On the right side, Goodman weighs in at 245, Walton, 265, and Christiansen, 226.

THE GENERAL OUTLOOK—Coach Rodgers says, "We still have a lot of work on our quarterback situation, because of inexperience; but we hope to have the same kind of balanced attack we had when I coached here before in 1965 and 1966. Our defense could be our main strength. It's going to be a challenging season with some awfully good football teams on that schedule."

A Colorful and Talented Coach Returns...

PEPPER RODGERS

...As UCLA's 11th Football Headman

UCLA NOT ONLY has a new head football coach for this 1971 football season but also an old friend at the gridiron helm. Pepper Rodgers was Tommy Prothro's offensive mastermind in 1965 and '66 when the Bruins compiled 8-2-1 (including a Rose Bowl victory) and 9-1 records, respectively, for a brilliant 17-3-1 two-season mark.

When coach Prothro resigned last January to accept the challenge of professional football with the Los Angeles Rams, the spontaneous choice to be his successor at Westwood was the personable and colorful Pepper Rodgers, who in four years (1967-70) at the University of Kansas turned the Jayhawks from a Big Eight Conference patsy into an exciting team to be reckoned with each year.

He, obviously, also was the choice of Chancellor Charles E. Young and Athletic Director J. D. Morgan to succeed Prothro as UCLA's 11th head football coach in the Bruins' 52 years (1919-71, to date) of gridiron competition. The list of former gridmasters includes Fred W. Cozens (1919), Harry Trotter (1920-22), James Cline (1923-24), William H. "Bill" Spaulding (1925-38), Edwin C. "Babe" Horrell (1939-44), Bert LaBrucherie (1945-48), Henry R. "Red" Sanders (1949-57), George Dickerson (1958), William F. "Bill" Barnes (1959-64) and Prothro (1965-70).

Even though his four-year KU record of 20 wins and 22 losses isn't earthshaking, Pepper's impact on Kansas football did register high on the Richter scale. Here is a sampling of that impact in excerpts from a farewell column written last January 9 by Chuck Woodling of the Lawrence, Kan., Daily Journal-World:

"Four years with Pepper Rodgers. It was like opening a box of Cracker Jack every day...

"Pepper Rodgers made happen at Kansas what you might expect to occur in a lifetime at any other school. His wasn't a tenure, it was a booking.

"Who else could lose a football game by having 12 men on the field?

"Who else, in the same vein, could be pictured in a national magazine with his feet propped up on his desk and a shoulder-length wig disguising his short-cropped hair?

"And, for that matter, who else would lead his team onto the field by doing a somersault... or a double somersault?

"Pepper Rodgers. No one else."

In other words, UCLA is getting one of the most lively and interesting young head coaches in the country. And how does Pepper himself feel about his coaching style?

"Well, I'm not sure I'm unorthodox in anything,"

COACH PEPPER RODGERS

(Continued)

Pepper admitted. "Everybody has his own personality and his own way to do things. I believe you have to be willing to take a chance when the odds are in your favor. But everything we do is done for a reason. To me, it's orthodox."

Plus, of course, Rodgers has demonstrated great talent in his 14 years of coaching football, 10 as an assistant at four major schools—one (1954) at Georgia Tech, two (1958-59) at the Air Force Academy, five at Florida (1960-64) and two (1965-66) at UCLA—and now the past four as the headman at Kansas.

In other words, Pepper has the credentials and background to do an outstanding job in every way at UCLA.

He was born in Atlanta, Ga., 40 years ago on Oct. 8, 1931. He graduated from Brown High School in Atlanta in 1950 following a gaudy prep career in which he earned All-State honors in football, basketball and baseball.

He remained in his hometown to go to Georgia Tech and played quarterback on three (1951-52-53) of coach Bobby Dodd's greatest Yellow Jacket teams. Those teams compiled a 30-2-1 record, including 11-0 seasons Pepper's sophomore and junior years. Tech finally lost to No. 1 ranked Notre Dame during his sophomore year, ending a 32-game winning streak.

Pepper played in a major bowl all three years and was instrumental in helping Tech win them all. As a sophomore he kicked the winning field goal as the Jackets nicked Baylor, 17-14, in the Orange Bowl. The next year when the Ramblin' Tech whipped Mississippi, 24-7, in the Sugar Bowl Rodgers booted a field goal, three extra points and threw a touchdown pass. He capped his career by receiving the "Outstanding Player Award" at the 1954 Sugar Bowl after kicking four extra points and a field goal and passing for three TD's in a 42-19 rout of West Virginia.

It is no wonder that Pepper has been honored by election to the Georgia Tech Athletic Hall of Fame and also was recently picked on the Bobby Dodd Era Georgia Tech All-Star football team as its field goal specialist.

Following graduation, Pepper remained on campus to complete work on his degree in Industrial Management and during the 1954 season served as an assistant on Dodd's staff.

In the spring of 1955 Rodgers took a backfield coaching job at Virginia but was there only during spring practice. He gave up coaching temporarily to be commissioned a second lieutenant in the Air Force in June, 1955.

While in the Air Force he doubled up as a player-coach for the Hamilton (Calif.) Air Base football team in 1956 and '57. Here again he was associated with winning teams, 9-1 in 1956 and 11-1 in 1957 and were victors both years in the Penrose Bowl games in Colorado Springs, Colo. Incidentally, his Hamilton teammates included such former UCLA stars as Terry Debay, Charley Doud, Bob Heydenfeldt and Ron Bane, a basketballer turned footballer.

While still in the service Pepper was assigned to Ben Martin's Air Force Academy staff in 1958 and '59.

He was separated from the Air Force in 1960 with a captain's commission in the reserves.

It should be noted here that Pepper must have the finest bowl record as both a player and coach ever compiled. He played in five games, Orange once and Sugar twice at Georgia Tech and the Penrose twice while in the service—and was on the winning team on all five occasions. As an assistant coach, he posted a perfect 5-0 bowl record, with Georgia Tech winning in 1955 Cotton, Air Force in 1958 Cotton, Florida in 1961 Gater and 1963 Gator and UCLA in 1966 Rose.

His only loss in 11 bowl games came in, perhaps, the most exciting Orange Bowl ever played. Pepper's Jayhawks were leading Penn State, 14-13, in the closing minutes of the 1969 renewal of the Miami, Fla., classic. They had stopped the Nittany Lions on a two-point conversion try but it was detected that KU had 12 players on the field. The Lions then made good on their second try for a 15-14 victory.

Naturally, it was a heartbreaking loss for Pepper in his second year at Kansas, a season in which his Jayhawks were Big Eight co-champions and wound up with a 9-2 record. It was the first KU team in 60 years to win nine games. The team was pegged No. 6 and

No. 7 in the two wire service polls and Pepper finished second in the national coach of the year voting. He also was the Big Eight coach his first two years (1967-68) and was the runner-up in the balloting last season.

He coached the West team to a 14-10 victory over Joe Paterno's Easterners in the 1969 Coaches' All-America game in Atlanta. Earlier that year he was on the coaching staff of the North team that won the American Bowl game at Tampa, Fla.

After nine years of backfield coaching under Tommy Prothro at UCLA, Ray Graves at Florida and Ben Martin of the Air Force Academy, Rodgers joined the head coaching ranks on Dec. 16, 1966 when he was signed by KU, following a dismal 2-8 season for the 1965 Jayhawks.

During his tenure as an assistant he was instrumental in developing five All-America backs: Rich Mayo, Air Force; Steve Spurrier and Larry DuPree, Florida, and Gary Beban and Mel Farr at UCLA. Spurrier and Beban, of course, also were Heisman Trophy winners.

In his second season at KU, Pepper hit the jackpot with two more All-Americans in quarterback Bobby Douglass and defensive end John Zook.

In four seasons at Kansas, Pepper's teams turned in records of 5-5, 9-2, 1-9 and 5-6. After winning 11 of 14 Big Eight games the first two years, KU went 0-7 in 1969, yet was solidly in every conference game until the finale with Missouri, and bounced back part way last season with 5-6 overall and 2-7 league records.

In 1952 while a student at Georgia Tech, Pepper married his high school sweetheart, the former Judy Ragsdale, who was a cheerleader at Brown High during his playing days there. They have four children, Ricky, 18; Teri, 17; Kyle, 14, and Kelly, 8. The Rodgers family is now settled in a new home in Westlake Village in San Fernando Valley.

THE STAFF

DOUG WEAVER
(Michigan State '53)
Assistant Head Coach

Doug Weaver came to UCLA in January, 1971, from University of Kansas with head coach Pepper Rodgers. He will serve as the Bruins' assistant head coach and defensive coordinator. On the field, he coaches the linebackers and strong safeties.

After being out of coaching in 1970, while practicing law in Lawrence, Kan., he rejoined coach Rodgers' staff at UK last December as the defensive coordinator. Previously, from 1967 through 1969, he had been a member of Rodgers' defensive staff while a full-time law student at UK. He passed the Kansas bar in February, 1970.

Weaver has outstanding football coaching credentials. In fact, he was the head coach at Kansas State

University for seven seasons (1960-66) before going to UK to study law. Before that he was the first assistant coach to Dan Devine at University of Missouri in 1959 and line coach at Ol' Mizzou in 1958.

For two years prior to that he was an assistant mentor at his alma mater, Michigan State, first as the frosh coach in 1956 and then as a varsity aide in 1957.

Weaver was a linebacker on the 1950-51-52 Michigan State teams, with the Spartans being voted National champions in his senior year. After graduation, he was in the Air Force for three years (1953-55).

Doug prepped at Goshen, Ind., High School where he won 1948 All-State football honors at center as a senior.

Weaver and his wife, the former Nancy Doty, have three children, Amy, 15, Doug, Jr., 12, and Matthew 7. (Weaver was born Oct. 15, 1930).

KEN BLAIR
(Colorado '63)
Assistant Varsity Coach

Coaching the Bruins' pass receivers and kickers this season is Ken Blair, who comes to UCLA from University of Colorado, his alma mater, where he was an assistant mentor for the past five years (1966-70).

Prior to returning to Colorado, he coached one year (1965) at Davidson after two years (1963-64) as a graduate assistant at his alma mater.

Ken was a regular in his last two seasons (1961-62) at Colorado, serving as captain and winning All-Big Eight honors as a senior. As a junior, he starred on the Buffaloes' 1961 Big Eight championship team. A versatile gridder, he was a pass receiver on offense and an end, linebacker or cornerman on defense.

He prepped at Roswell, New Mexico, High where he lettered in football, basketball and track.

He's married to the former Mary Sue Cisco and they have two sons, Michael, 7, and Mitchell, 5. (Ken was born June 10, 1941.)

TERRY DONAHUE
(UCLA '67)
Assistant Varsity Coach

A former UCLA footballer, Terry Donahue, has returned to his alma mater from University of Kansas with coach Pepper Rodgers. He'll serve as an offensive line coach for the Bruins.

Terry starred as a quick, agile defensive tackle at 197 pounds for the 1965-66 Bruins, the same teams on which Rodgers served as the backfield coach before being signed by the Jayhawks. He was a starter on the Bruins' 1966 Rose Bowl team

(Continued)

which upset No. 1 ranked Michigan State, 14-12.

In his first year (1967) out of UCLA, Donahue helped coach the Kansas frosh team and then was elevated by coach Rodgers to the varsity staff in 1968. He coached the Jayhawk defensive line at age 23 and was one of the youngest major college assistant coaches in the country at that time.

After starring in football (linebacker) at Notre Dame High in Sherman Oaks, Calif., he played frosh football at San Jose (Calif.) State in 1962. He entered UCLA in 1964 from Valley JC in San Fernando Valley where he hadn't played football. He was on the Bruins' non-playing varsity squad his first year but then became a UCLA standout the next two seasons on teams which posted impressive 8-2-1 and 9-1 records.

Terry is married to the former Andrea Sogas of Prairie Village, Kans. (He was born June 24, 1944).

TONY KOPAY
(Washington '62)
Assistant Varsity Coach

Tony Kopay is in his seventh year at UCLA. He joined the staff when Tommy Prothro became the Bruin head coach in 1965.

He served as the head frosh coach and also worked with the varsity for the first two years (1965-66) but has now been a full-time varsity assistant for the past four seasons, the first two (1967-68) working with the defensive backfield and the last two (1969-70) with the offensive line. He'll continue his latter duties under Pepper Rodgers.

"I'm most happy to remain here at UCLA and resume my association with a good friend and an outstanding coach, Pepper Rodgers," Kopay said. "And, of course, I thoroughly enjoy coaching on the university level."

Tony came to UCLA following two successful years as head coach at Crespi High in Encino, Calif. He turned out a Camino Real League Championship football team there in 1964.

He prepped at Notre Dame High in Sherman Oaks Calif. He then attended Pierce JC where he won All-Western States Conference honors at halfback for two seasons (1958-59). He then transferred to University of Washington and played halfback and fullback in 1960 and '61.

Following graduation, Tony was a student assistant coach at Washington, serving as backfield coach for the frosh. The next year he moved back to Southern California and began his coaching career at Crespi High. He's the older brother of Washington Redskins' halfback Dave Kopay in the National Football League.

Tony is married to the former Maryon Vusich. They have a daughter, Kristen Marie, 2. (Tony was born Jan. 22, 1940.)

JERRY LONG
(Oregon State '50)
Assistant Varsity Coach

Jerry Long is in his seventh season on the UCLA staff. He came to the Westwood campus with Tommy Prothro in 1965 as a defensive line coach and will continue to perform the same duties under the Bruins' new headman, Pepper Rodgers.

He said, "I'm really happy to remain, not only because of my fine relationship with UCLA but also because I enjoy coaching on the university level. Also, I'm happy to be associated again with Pepper, a good friend and an outstanding coach."

Long was an assistant coach under Prothro for four years (1961-64) at Oregon State prior to coming to UCLA with Tommy.

In all, Jerry is in his 22nd year of coaching football. Prior to returning to Oregon State, his alma mater, in 1961, he served as the top aide and line coach at Willamette University in Salem, Ore., for six years (1955-60). Following graduation from OSU in 1950, Jerry began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in '52 and '53 and Tigard in '54.

Long entered Oregon State in 1946 and lettered three years as a guard. He prepped at Franklin High in Portland, Ore., his birthplace, where he starred in football and baseball, winning All-City grid honors. (He was born July 29, 1929).

He is married to the former Dorothy Jean Larson and they have three children, Karen, 15, and twins Randall and Diane, 13.

BILLIE MATTHEWS
(Southern University '52)
Assistant Varsity Coach

Following an outstanding 12-year (1958-69) coaching career at Kashmere High in Houston, Tex., Billie Matthews joined the Kansas staff last season. He was the coach of the 1970 Jayhawks' running backs under coach Pepper Rodgers. Now, he's here at UCLA with coach Rodgers and is in charge of the Bruins' defensive backs.

His Kashmere teams won Texas Regional football titles twice (1968 and '69) and were the City champions four times (1961-64-68-69).

A star quarterback at Southern University in Baton Rouge, La., he led his team to an 11-0 record and the National Negro Championship as a freshman in 1948. During his four years, Southern compiled an amazing 37-4 grid record. He then returned to his native Houston to begin his coaching career at Kashmere High.

Billie prepped at Phillis Wheatley High in Houston where he lettered in football and basketball.

He and his wife, the former Gene Woods, have four children, Jacqueline, 23; Kenneth, 21; Kennette, 19, and Karen, 9. (Billie was born Mar. 15, 1930).

LYNN STILES
(Utah '63)
Assistant Varsity Coach

Lynn Stiles, who played and coached under former UCLA quarterback Ray Nagel at Utah and Iowa, is another new member of the Bruin staff. He coaches the defensive ends.

After starting at guard, center and linebacker at Utah (1959-62) under Nagel, winning All-Western Athletic Conference honors at guard as a senior, he was named to the coaching staff of his alma mater where he served for three years (1963-65) before moving to Iowa with Nagel. He has been on the Hawkeye staff for the past five years (1966-70) as a defensive line coach.

A fine student majoring in the combined major of Physical Education and Health & Recreation, he was on the conference's all-academic team in 1961 and '62. He's now in the process of writing his thesis for his master's degree.

Lynn prepped at Reno, Nev., High where he starred in football, basketball and track, winning All-State grid honors two years as a guard and linebacker.

He's married to the former Marigene Stephens and they have two children, a daughter, Staci Lee, 5, and a son, Shon Lynn, 1½. (Stiles was born Apr. 12, 1941).

DICK TOMEY
(DePauw '60)
Assistant Varsity Coach

Coaching UCLA's offensive backfield this fall is Dick Tomey, who moved from Kansas with Pepper Rodgers. He was a member of Rodgers' original staff at UK. The first three years (1967-69) he was the head frosh coach as well as working with the varsity receivers. Then, last season (1970), he was switched from the frosh job and placed in charge of the varsity's defensive backs.

Prior to going to Kansas, he was an assistant coach at Miami of Ohio for two years under two top coaches, John Pont (now at Indiana) in 1962 and Bo Schembechler (now of Michigan) in 1963; at Northern Illinois in 1964; and at Davidson in 1965 and 1966. Incidentally, Dick started his career by coaching all sports at Morgan Junior High in Indianapolis, Ind., for a year following his graduation from DePauw University.

Two of the outstanding backs he's coached have been Kansas' John Riggins in 1967 and Davidson quarterback Jim Poole in 1965, the Southern Conference "Player of the Year."

He played guard for three years (1956-60) at DePauw University. He starred in baseball, winning all-

conference honors as a catcher. He prepped at Elston High in Michigan City, Ind., where he lettered in football, baseball and participated in basketball.

He's married to the former Mary Lewis and they have a son, Richie, 1½. (Dick was born June 20, 1938).

RON NAY
(Westminister College '63)
Head Freshman Coach

Ron Nay, a former head coach at Westminister College in Salt Lake City, Utah, will coach the UCLA frosh team this fall. He also tutors the varsity's offensive backs in fundamentals.

Last fall, he served as a graduate assistant under Pepper Rodgers at Kansas after two years (1968-69) as the headman at Westminister, his alma mater.

Nay also was head frosh coach at Utah in 1967 and was an assistant coach at Claremont-Mudd College in Claremont, Calif., in 1966. He was in the Marine Corps for two years (1964-65) where he played football at Camp Lejeune in North Carolina.

Ron was a versatile athlete at Powell, Wyo., High, topped by being an All-State gridder. He played in the St. Louis Cardinals' baseball farm system for three years (1958-60) before entering Westminister where he starred at defensive halfback for two years (1961-62).

He's single. (Nay was born Mar. 13, 1940).

TORY MATHESON
(UCLA '69)
Assistant Freshman Coach

A UCLA gridder of only a few seasons back (1966-67-68), Tory Matheson is now serving as a full-time assistant frosh coach on Pepper Rodgers' staff. He also coaches the varsity's strong safety or rover back on defense.

Tory played three years at offensive tackle for the Bruins and was a key performer his junior and senior years. Since graduating in 1969, he has remained on campus studying for his master's degree in physical education, which he received in June, 1970, and also serving as a graduate assistant coach of the UCLA frosh teams in 1969 and last year. He actually was hired as a full-time aide by Tommy Prothro following last season.

He, incidentally, is the son of Martin "Whitey" Matheson, who starred as a football center for the Bruins in 1938-39-40. Tory prepped at Helix High in La Mesa, Calif., where he won All-Grossmont League and All-San Diego CIF grid honors.

He's single. (Tory was born Sept. 27, 1947.)

Head Coach: Carl DePasqua
De Pasqua's All-Time Head Coaching Record: 26-12 (9-11, 2 seasons at Pitt; 17-1, 2 seasons at Waynesburg, Pa., College)
Sports Information Director: Dean Billick
1970 Football Record: Won 5, Lost 5
Returning Lettermen: 21
UCLA All-Time Record against Pittsburgh: W-8, L-4, T-0
Widest Margin of Victory for UCLA: 56 Points (63-7 in 1968)
Widest Margin of Victory for Pittsburgh: 21 Points (27-6 in 1958)

GAME NO. 1

It will be a whole new ballgame for Pitt in 1971. A new offense. A new defense. And a relatively young, new team that will tackle a tough, new schedule.

A total of 21 lettermen, including 11 starters, return from last year's improved 5-5 team that had a 5-1 record until a huge rash of costly injuries wiped out the Panthers. Coach Carl DePasqua has a strong array of 32 scholarship sophomores to go with his vets in an effort to give Pitt its first winning season since 1963.

"This should be an exciting and challenging year," DePasqua says about his third campaign as Pitt's boss.

Last year's alternating first-team signal callers, senior Dave Havern (5-10, 161) and junior John Hogan (6-0, 186), return to go along with two talented sophs, Bob Medwid (6-2, 190) and Rod Huth (6-2, 220).

In the backfield, DePasqua faces a major reconstruction job. However, senior John Moss (6-5, 214), who carried only 22 times for 77 yards last year, could be one of the East's better running backs despite his lack of experience. At fullback, a dog fight is brewing between junior Lou Julian (6-0, 213) and soph Paul Felinczak (6-0, 214).

Pitt appears well stocked with fine pass receivers. Seniors Steve Moyer (6-0, 190) and Joel Klimek (6-2, 216) are returning starters who caught 32 and 28 passes, respectively, last year.

On the offensive line, there is strength up the middle but no experience at all at the vital tackle spots. Senior starters return at center, Bob Kuziel (6-5, 241) and at guards, John Simpson (6-1, 240) and Dan Lynn (6-1, 214).

On defense, five starters return, end Hank Alford (6-6, 215), tackle Howard Broadhead (6-4, 260), linebackers Joe Carroll (6-1, 219) and George Feher (6-1, 206) and defensive halfback Reggie Frye (6-0, 182). Add to that three players who once were starters but were waylayed last year because of injuries, linebacker Ralph Cindrich (6-1, 222), a great one if he stays healthy, middle guard Jack Dykes (6-1, 235) and defensive back Mike Bannan (6-1, 187).

THE UNIVERSITY OF TEXAS AT AUSTIN (Game at Los Angeles Coliseum, Saturday, Sept. 18, 1:50 p.m., PDT)

Location: Austin, Texas
Name and Capacity of Home Stadium: Memorial Stadium, 81,500
Conference: Southwestern
Enrollment: 39,089
Colors: Orange and White
Nickname: Longhorns
University President: Dr. Stephen H. Spurr
Athletic Director: Darrell Royal
Head Coach: Darrell Royal
Royal's All-Time Head Coaching Record: 135-42-4 (118-29-4, 14 seasons at Texas; 5-5-0, 1 season at Washington; 12-8-0, 2 seasons at Mississippi State)
Sports Information Director: Jones Ramsey
1970 Football Record: Won 10, Lost 1
Returning Lettermen: 36
UCLA All-Time Record against Texas: W-0, L-1, T-0
Widest Margin of Victory for Texas: 3 Points (20-17 in 1970.)

GAME NO. 2

One of the country's foremost football powers, the Texas Longhorns, a team that repeated last year as national champions in two polls (UPI and MacArthur Trophy) despite losing to Notre Dame in the Cotton Bowl, comes into the Coliseum for an outstanding early-season intersectional game with the Bruins.

Although losing 24 lettermen, including 15 starters, from last year's 10-1 team, the Longhorns have talented personnel returning. Among the top stars back is quarterback Eddie Phillips (6-1, 193), whom coach Darrell Royal named as his finest QB in 14 years at Texas. He combines both passing (39 of 96 for 695 yards and five touchdowns, including a 45-yard TD toss with 12 seconds left to play to beat UCLA) and rushing (4.5 average) prowess.

Another potent offensive ace is halfback Jim Bertelsen (5-10, 198), who was the team's No. 2 rusher last year with a 6.0 average. He's a great open field runner and excellent blocker. Expected to move in and do a fine job of replacing All-America fullback Steve Worster will be Bobby Callison, a two-year letterman who was sidelined last fall with a broken arm.

In all, Texas has 36 lettermen returning, plus many promising newcomers from an undefeated freshman team and junior college ranks.

But coach Royal is quick to point out that he only has three starters back on offense and five on defense —and as many as seven sophomores could be among the 22 starters this fall.

The Longhorns' offensive line was wiped out by graduation, except at right tackle where junior Jerry Sisemore (6-4), 241) is rated a coming great.

Defensively, Texas is counting on such returnees as linebacker Stan Maulding (5-11, 196); safety Tommy Woodard (6-1, 205), moved from linebacker last spring; tackle Ray Dowdy (6-1, 220) and halfback Mike Bayer (6-0, 161) to be standout performers.

Texas, a team that had won 30 straight games (third longest streak in modern grid history) before losing to Notre Dame, is tabbed to be prominent again.

Conference: Big Ten
Enrollment: 34,702
Colors: Maize and Blue
Nickname: Wolverines
University President: Robben W. Fleming
Athletic Director: Don Canham
Head Coach: Glenn E. (Bo) Schembechler
Schembechler's All-Time Head Coaching Record: 57-21-3 (17-4, 2 seasons at Michigan; 40-17-3, 6 seasons at Miami of Ohio)
Sports Information Director: Will Perry
1970 Football Record: Won 9, Lost 1
Returning Lettermen: 29
UCLA All-Time Record against Michigan: W-0, L-2, T-0
Widest Margin of Victory for Michigan: 29 Points, (42-13 in 1956)

GAME NO. 3

Michigan has an experienced senior football class, experienced in winning. There are 15 Wolverines who are double letter winners and they have played important roles in winning 17 of 21 games over the last two seasons.

Coach Bo Schembechler now will spot a few juniors and sophs among this senior group and 14 other lettermen and says, "There could be five or six teams figuring in the Big Ten title race and we should be one of them."

Michigan will have a sophomore quarterback, three highly experienced running backs, a solid interior line, an abundance of receivers and another sturdy defense, led by All-America candidate Mike Taylor at linebacker. In fact, coach Schembechler rates Taylor as the top LB in the country.

Worth noting: The Michigan defense yielded an average of only nine points last season as Schembechler teams over the last six seasons have given up only 1.2 touchdowns per game. In other words, the Wolverines are mighty tough and stingy on defense.

The Wolverines have three brilliant and veteran runners in Billy Taylor, Glenn Doughty and Fritz Seyferth, with wingback Doughty also a dangerous pass receiver. They are hoping that two promising soph quarterbacks, Kevin Casey and Tom Slade, will be more than adequate this fall.

The offensive line appears solid, especially in the middle with two All-Big Ten performers returning, guard Reggie McKenzie and center Guy Murdock, and another 1970 first-stringer, Tom Coyle.

The defensive line will be manned by returning starters except at middle guard. This unit has excellent speed. Besides Taylor at LB, two talented and quick vets, Tom Kee and Dana Coin, are battling for the other starting spot.

And Michigan has three-fourths of one of the country's top secondaries back, headed by vastly underrated Frank Gusich, who came up to make 10 tackles for losses last season.

GAME NO. 4

Look for another strong football team at Oregon State this fall. There's plenty of experience, including 40 returning lettermen, and lots of enthusiasm. The Beavers have never experienced a losing season under coach Dee Andros since he arrived in Corvallis back in 1965, and they don't want to start now.

Andros could start 11 lettermen on offense, and probably will. He has both of his defensive ends back, all of the defensive secondary and some fine linebackers. It's up front, with the "front four" where the inexperience might show.

Offensively, Oregon State has probably the best fullback in the country in Dave Schilling, 226, who was the top rusher in the Pacific-8 Conference last year with 1,084 yards on 254 carries for a 4.3 average and 5 TD's. And he's teamed with a good halfback, Ralph Snow, 201, and an equally good wingback, Bill Carlquist, 185.

A key, of course, to the OSU season is quarterback Steve Endicott, who underwent a bone graft on his wrist last winter. Jim Kilmartin, who took over at QB when Endicott was hurt last fall and did a good job, also returns. Last season, Endicott hit on 29 of 63 passes for 355 yards and 5 TD's; Kilmartin, 39 of 90 for 463 and 5 TD's. Plus, Andros has two promising sophomore QB's, Tom Hickey and Bob McKenzie, ready to go.

Besides Schilling, two other All-Coast performers are back, defensive end Jim Sherbert, 215, and safetyman Jim Lilly, 185. Also back is one of the Pac-8's top pass receivers, split end Jeff Kolberg, 198, who led the Beavers with 39 catches for 534 yards and 5 TD's.

One thing for sure, the Beavers will field senior-dominated starting teams, with the entire offensive eleven being manned by seniors and four on defense along with six juniors and one lone sophomore, tackle Billy Joe Winchester, an imposing 265-lb. newcomer.

GAME NO. 5

The Washington State Cougars are hoping experience — something they lacked last year—will pull them out of the Pacific-8 Conference basement.

The Cougars return 37 lettermen, including their starting offensive line from tackle to tackle. Steve Busch, 240, who gained all-conference honors at guard, however, moved to middle linebacker last spring and he's expected to bolster the LB corps.

Bill Moos (6-3, 235) replaced Busch at guard and really impressed last spring. Other returning starters included tackles Wallace Williams and Buzz Brazeau, both 260-pounders, center John Hook, 221, and guard Jim Giesa, 230.

Ty Paine (6-3, 210), returns at quarterback after setting game and season total offense records last year. As a soph, he completed 123 of 267 passes for 1,581 yards and 3 TD's. Bernard Jackson, 173, who was the team's No. 2 rusher (3.6 average for 7 TD's) and receiver (28 for 268 yards) last year, gives the Cougars speed at tailback and Ken Lyday, 203, who averaged 5.2 yards an dscored 4 TD's as the No. 2 fullback last fall, provides power.

The wide receivers returning include Brock Aynsely (6-2, 185) and Tony Lomax (6-3, 191), who caught 21 and 13 passes, respectively, last year.

But coach Jim Sweeney's main goal last spring was to improve the defense. Moving Busch to middle linebacker provided immediate help. Blain Lamoureux, 210, a transfer from Utah State, also will help the LB corps. Sophomore Harry Thompson, 180, will give the secondary added speed.

Marc Pence, 234, who started last year as a soph, looks much improved at defensive tackle. At ends, the Cougars are counting on returning starters Brian Lange, 220, and Dennis Mitchell, 224.

GAME NO. 6

Arizona figures to a potent football team this fall. The Wildcats not only have 31 of 47 lettermen returning (seven starters on offense and eight on defense) from last year's 4-6 team but also will be augmented by talented newcomers.

Arizona will have a "new look" offense for 1971 with the installation of the Veer offense. Leading the new look will be junior quarterback Bill Demory (6-2, 183) who became a regular when Brian Linstrom (6-4, 210) was injured midway in last season. The latter, incidentally, has been moved to tight end and may be a starter there.

Henry Sintay (6-1, 190), another junior, is expected to give Demory strong support and competition at QB. Last year, Demory hit on 53 of 108 passes for 209 yards and 5 TD's; Sintay, 6 of 12 for 108 and one TD.

The Wildcats' top receiver is an All-America end candidate, Charlie Earl McKee (6-3, 190) who had a phenomenal record last year of catching passes (26 of 51 thrown his way) for 496 yards and 9 TD's. This is better than a TD for every three passes caught and a first down, or touchdown, on 23 of the 26 caught.

In the running department, the top returnees are junior fullback Bobby McCall (5-11, 190) and junior tailback Joe Petroshus (6-3, 185). Adding strength to the running game will be another junior halfback, Ceasar Pittman (5-11, 198). McCall was the team's No. 2 rusher last year with 401 net yards on 111 carries for a 3.6 average and one TD.

Key man on defense is All-America candidate Mark Arneson (6-2, 215) at linebacker. He led the team in defensive statistics as a sophomore and again as a junior.

Coach Bob Weber's main problem, perhaps, is lack of depth in the offensive line. However, he's counting on such talented returnees as guards Larry McKee (no relation to Charlie) and Jim Arneson (brother of Mark) to be mainstays.

Widest Margin of Victory for California: 35 Points (35-0 in 1950)

GAME NO. 7

"Balance and depth among our running backs," according to coach Ray Willsey is perhaps California's greatest strength. "Also, we should be able to play the defensive line of scrimmage reasonably well, especially against the run, and we should come along to be able to defend the pass well."

Those are the strengths of the 1971 Golden Bears, a team which has 18 lettermen returning including five offensive starters and seven defensive starts, from last year's squad which posted a 6-5 seasonal record.

Cal has more speed in its backfield than ever before. Starters Tim Todd, 200, and Isaac Curtis, 195, return at the running back positions. They were the team's No. 2 and No. 3 rushers, respectively, last year with 4.77 and 4.15 averages. Curtis, the 9.3 sprinter, returns for his junior year, a season older and wiser.

Plus, two talented squadmen, J. D. Smith, 190, and Steve Kemnitzer, 195, and a pair of outstanding newcomers, JC All-America transfer Sylvester Youngblood, 180, and sophomore Blane Warhurst, 195, give the Bears exceptional running depth. Youngblood rushed for 1,441 yards for Pasadena City College. Warhurst led the Cal Frosh in rushing with a 4.97 average.

However, Cal must find a quarterback to replace the departed 1-2 duo at this key position, Dave Penhall and Steve Curtis. It looks like a four-way battle between Reed Chastang (6-2, 185), who played only four minutes last year; soph George Fraser (6-1½, 190), former Anaheim (Calif.) Hi great who sat out his frosh season; Jay Cruze (6-2, 205), a strong-armed JC passer from DeAnza College; and Don Wilcox (6-2, 185), another promising JC transfer from Hutchinson, Kan.

No matter who the QB is, however, he'll have some fine receivers to throw to, including the four top receptionists of 1970, Steve Sweeney (43 catches), Geoff DeLapp (25), Curtis (17) and Todd (16).

Defensively, the Bears have two great linemen in All-Coast tackle Sherman White, 250, and guard Oz White, 240, and a pair of top backs in All-Coast Ray Youngblood, 180, and safety Joe Acker, 185.

Widest Margin of Victory for Washington: 41 Points (41-0 in 1940 and 61-20 in 1970)

GAME NO. 8

Washington has probably the best 1-2 quarterbacking combination in collegiate football this season in junior Sonny Sixkiller (6-0, 184) and junior Greg Collins (6-1, 188). Sixkiller led the nation in pass completions last year (18.6) and was fifth in the country in total offense with an average of 226.8 yards a game.

Collins, in limited playing time, connected on 55.6% of his passes for 393 yards. A third QB, sophomore Mark Backman (6-2, 178), adds depth at this key position. He hit on 55.1% of his passes for 828 yards in four frosh games last fall.

But the Huskies' strong suit is pass receivers. Senior flanker Jim Krieg (5-8½, 163) set a school record with 54 receptions last season, and is probably one of the country's finest wide receivers. And three JC transfers and a soph add solid support, and competition, at the two split positions.

JC transfer Tom Scott (5-9, 170), a pslit end out of the same mold as Kreig, showed his abilities in the Spring game, taking a pass from Collins and going 92 yards for a TD. Two other JC transfers, split end Scott Loomis (5-11¼, 170) and flanker Dennis Brimhall (5-10¾, 164) have good speed, run excellent patterns and are good deep receivers. And although not as fast as the other four, flanker Fred Dean (5-11, 170), up from the frosh, has excellent hands.

The running back spots appear up for grabs. Two sophs, Jim Eicher (6-1, 197) and Jerry Ingalls (6-1, 202), started the Spring game and played well. Juniors Luther Sligh (5-11, 194) and Tony Apostle (5-11, 193), the only runners with any varsity experience, also impressed last Spring.

In all, Coach Jim Owens has 30 lettermen returnees, including nine from the first two offensive units and 12 from the first 22 on defense.

The defensive line appears very strong, with three top ends ready to go, senior Al Kravitz (6-1, 220) and juniors Kurt Matter (6-7, 220) and Dave Worgan (6-3, 214). The offensive line also is rated tough, headed by a trio of lettermen, guards Dave Enders (6-5, 232) and Fred Miller (6-2, 209) and tackle Rick Hayes (6-4, 230).

Widest Margin of Victory for UCLA: 72 Points (72-0 in 1954)
Widest Margin of Victory for Stanford: 82 Points (82-0 in 1925)

GAME NO. 9

Though the losses appear staggering, including Heisman Trophy winner Jim Plunkett and his entire crew of talented receivers, the Stanford coaches and players look optimistically to the 1971 season.

A total of 34 lettermen return to try for a repeat of the 1970 campaign, a 9-3 year topped by a brilliant 27-17 Rose Bowl victory over Ohio State, and coach John Ralston could start a letter winner at every one of the 22 positions.

The biggest question is how do you fill the shoes of a Jim Plunkett. The almost forgotten answer is with a Don Bunce (6-1, 196), the talented QB who played in Plunkett's shadow in 1968 and '69 and sat out last fall. Bunce will be challenged by junior Jesse Freitas (6-1, 192), who impressed as Mr. P.'s understudy last year. Junior Mike Boryla (6-3, 195), another gifted Plunkett understudy, will also bid for the QB spot, along with exciting Mike Gilyar (5-11, 170), up from the frosh.

The Tribe has two of the best running backs in the conference coming back. They, of course, are seniors Jackie Brown (6-2, 202) and Hillary Shockley (6-1, 190). In fact, they give Stanford its best pair of set backs in years. They were the team's top rushers last year, with Shockley netting 622 yards on 171 carries for a 3.6 average and seven TD's and Brown 568 yards on125 carries for a 4.5 average and four TD's.

Stanford could be the outstanding defensive team in the West. It has a great middle linebacker in senior Jeff Siemon (6-2, 225) flanked by two other standouts, senior Mike Simone (5-10, 200) and super soph Gordon Reigel (6-5, 220).

Here's how coach Ralston talks about his 1971 Indians, "I would say that Stanford has every opportunity to, not only repeat, but to surpass the achievements of 1970. As far as talent and physical ability are concerned we have more than enough with which to work. The challenge will lie in the area of motivation and determination."

GAME NO. 10

John McKay said it without hesitation: "Our 1971 offense should be improved." Wow! The USC offense was the highest scoring team in 40 years.

"Yes," said McKay, "We have practically everybody back. We're solid at quarterback with Jimmy Jones and Mike Rae and solid at tailback with Rod McNeill and Lou Harris and fullback with Sam Cunningham and Bill Holland; and solid at almost every position in the offensive line."

Defensively, it is another story. The 1970 Trojans allowed more points—233—than any previous Trojan team.

Coach McKay elaborated, "Our defense needs to be completely rebuilt. It was defensively that our team collapsed last year, more because of injury than any other single factor. It is a very young but talented group we have back defensively. We should have better depth than a year ago."

Jones (6-1, 192), who has started for the past two years and guided USC to a 16-4-2 mark in that time, may be pushed for starting honors by a very talented junior named Mike Rae (6-1, 186). Last year, Jones completed 121 of 235 passes for 1,877 yards and 10 TD's; Rae, 20 of 45 for 331 yards and 4 TD's.

The Trojans also have standout runners back, topped by a booming junior fullback, Cunningham (6-3, 212), who was the team's No. 2 rusher with a 6.4 average and 5 TD's. At tailback, two hard-running veterans, McNeill (6-2, 220) and Harris (5-10, 205), give the Trojans fine depth. Last year, McNeill averaged 6.0 yards per carry and scored 6 TD's while Harris averaged 5.2 and tallied twice.

The Trojans have a superb receiver back in senior tight end Charles Young (6-4, 213), who caught 16 passes as did fullback Cunningham.

Defensively, end Willie Hall (6-1, 200) and tackle John Grant (6-5, 229) headline the returnees up front. But, as usual, the Trojans have outstanding overall personnel, including 22 returning lettermen.

CAN PACIFIC-8 MAKE IT 3-IN-A-ROW ON JAN. 1, 1972?

Back in 1947, the Pacific Coast and Big Ten Conferences entered their original Rose Bowl pact. In the 25 New Year's Day classics since then, the Big Ten has won 17 times to 8 for first the PCC (1947-59) and now the Pacific-8 (since 1960).

It should be noted, however that the Pac-8 split 5-5 with Big Tenners during the Sixties (1960-69) and has opened the Seventies (1970-71) with two victories. In other words, the Pac-8 will be shooting for its third straight Rose Bowl triumph on Saturday, Jan. 1, 1972 at 2 p.m. in the 58th renewal of this granddaddy of all post-season games.

Each of the Pac-8 members goes into the 1971 season with the hope that it'll be spending New Year's Day in Pasadena, Calif. However, only nine of the Big Ten schools are eligible to play in the upcoming RB game. Ohio State, which lost to Stanford (27-17) in the '71 renewal, cannot return because of the Big Ten's "no repeat" rule whereby no member can play two successive years in Pasadena.

The Bruins last appeared in the Rose Bowl on Jan. 1, 1966 when they won a 14-12 thriller over Michigan State in Tommy Prothro's first year at the UCLA helm. His talented backfield mentor that year was Pepper Rodgers. Now, seven seasons later, Rodgers is the Bruin boss and wouldn't it be fitting if history repeated itself? That is, if Pepper like Tommy could take his first UCLA team to the Rose Bowl.

UCLA has played in six Rose Bowl games but has won only once, the 1966 upset victory over the country's No. 1 ranked team. But the Bruins lost two mighty close ones, in 1954 they led 14-0 only to lose 28-21 and in 1956 a field goal with only seven seconds to play beat them 17-14.

Here are the quarter-by-quarter scores of UCLA's Rose Bowl games:

THUMBNAIL SKETCHES OF TOP UCLA PLAYERS

(In Alphabetical Order) Only Lettermen Are Pictured

BRUCE F. BARNES — Junior; Physical Education major; Phi Gamma Delta fraternity. Had a brilliant sophomore season as 1970 Bruins' kicking specialist. He wound up No. 1 in final Pac-8 punting statistics, with 70 kicks for 2,859 yards and a 40.8 average. He tied for No. 11 in the final NCAA stats. He already ranks No. 12 on UCLA's all-time punting list, based on number of kicks, and with two seasons to go should surpass Bob Waterfield's school record total of 183. He also is a capable field goal and conversion kicker. He hit on 3 of 9 field goals last fall, topped by a 39 yarder against Pittsburgh. He made 10 of 11 PAT's. A fine student, he was named to the Pac-8 All-Academic football team as its kicking specialist. Off a fine spring practice, kicking coach Ken Blair tabs him to be one of the country's foremost punters. A powerful kicker, he gets lots of height. Punted and played offensive guard on 1969 UCLA Frosh team. Lettered in football under coach John Perkins at Sanger (Calif.) Hi; also lettered in basketball and baseball. Won all-league grid honors.

INDIVIDUAL VARSITY STATISTICS
1970—Punting: 70 for 2,859 yards, 40.8 average.
Scoring: 19 points, 3 of 9 field goals, 10 of 11 conversions.

RICHARD PAUL (RICK) BASKA — Sophomore; Economics major. Was on the non-playing varsity squad last season after being a starting defensive end on '69 UCLA Frosh team. Quick and aggressive, he's expected to develop into an outstanding middle guard on defense. Wound up spring practice behind senior starter Mike Pavich at MG. Lettered in football under coach Gene Vollnogle at Carson Hi in Torrance, Calif.; also lettered in track and wrestling. Won All-Los Angeles City second team grid honors in 1968. Served as Senior Class president and football captain. Played on South team in 1969 Shrine prep classic in Los Angeles.

JAMES MICHAEL (JIM) BERG —Senior; History (Pre-Law) major. Started 10 of 11 games at defensive end last year. Saw 190 minutes of action. This season, he'll be designated a defensive left end but actually there is no change in his duties. He and Ed Galigher give the Bruins a fine 1-2 punch at DLT. Jim has excellent speed, is a very fine pass rusher and also is an extremely intelligent football player. Last year, he was named to the Pac-8 All-Academic team on defense. He was a varsity non-letterman at DRE in 1969 after being a starting defensive end on undefeated 1968 UCLA Frosh team. Lettered in football under coach Bob Woods at Mater Dei Hi in Santa Ana, Calif. Won All-Orange County grid honors.

JAMES LEE (JIM) BRIGHT—Sophomore; Accounting major. Up from undefeated 1970 UCLA frosh team on which he was the starting split end. He was the Brubabes' leading pass receiver with 5 catches for 73 yards and one TD. Wound up spring practice with an exceptional fine game in which he led all receivers with 6 catches. A hard worker with good size (6-2, 190), he could be a real surprise and move up from No. 3 behind veteran Terry Vernoy and fellow soph Oscar Roan. A new Bruin to watch! Lettered in football under coach C. H. Jackson at Eastside Hi in Farmerville, Louisiana; also lettered in basketball. Was a two-time All-District grid performer in 1968 and '69.

CRAIG MICHAEL CAMPBELL —Senior; Economics major. Started all 11 games last year at defensive right end. Played 214 minutes. This transfer from San Diego (Calif.) City College where he starred for two years (1968-69) had an outstanding first season for the Bruins last fall. In fact, he was the co-recipient with soph cornerback Allan Ellis of UCLA's John F. Boncheff, Jr., Memorial Trophy for "Rookie-of-the-Year." A fine student, he also made the Pac-8 All-Academic team on defense. He's quick, tough and extremely strong. Has marked ability to diagnose the play and find the ball carrier. He's also a spirited player and figures to be a starter and leader on the defensive unit at right tackle (a new designation for his old position) this season. Lettered in football under coach Birt Slater at Kearny Hi in San Diego; also lettered in basketball and track. Won All-San Diego CIF grid honors in both 1967 and '66. Served as both football and basketball captains.

GARY LLOYD CAMPBELL — Junior; Political Science major. Split starting honors at fullback last season with senior Bob Manning. In fact, he started 6 of the 11 games and played 214 minutes to only 118 for Manning. He was the team's No. 4 ball carrier with 355 net yards on 83 carries for a 4.3 average and 3 TD's, including the team's "longest" run that didn't score of 45 yards against Oregon State. Also caught 15 passes for 180 yards and 2 TD's. However, he missed spring practice because of a knee operation and, therefore, is a relatively unknown quantity to the new coaching staff. However, coach Rodgers knows from last year's films that this powerful running back will be a real factor if his knee, as expected, is sound this fall. He also played fullback on the 1969 UCLA Frosh team. Lettered in football under coach Gerald Meyer at Ennis, Texas, Hi; also lettered in track. Won All-District grid honors two years (1968-69). Served as both football and track captain.

INDIVIDUAL VARSITY STATISTICS

1970—Rushing: 83 carries, 355 net yards, 4.3 average, 3 TD's.
Scoring: 5 TD's and 1 two-point conversion for 32 points.
Receiving: 15 receptions, 180 yards, 12.0 average, 2 TD's.
Kickoff Returns: 1 for 8 yards, no TD's.

RONALD EUGENE (RON) CARVER — Senior; Physical Education major. Rated one of the most colorful and talented safetymen in UCLA annals. Last year, he started 7 games (injuries kept him from starting other 4) and played 204 minutes. As a soph in 1969, he started all 10 games and played 271 minutes, the most of any 1970 returnee. He's led team in punt returns both years, 33 for 292 yards in 1969 and 21 for 124 last season. In fact, with 1971 to go he's already the Bruins' all-time record holder in punt returns with his total of 54, to date. (The old record was 45 by Ernie Johnson in 1946-49.) He also led the team in kickoff returns last year, with 21 for 434 yards and was a close second to Mickey Cureton with 8 for 255 yards in 1969. He needs only two more KO returns to break the UCLA career record of 30 set by Tim McAteer in 1964-65. Although he only made one pass interception last year, it was a spectacular 85 yarder for a TD against Tennessee. Also intercepted one in spring game for 34 yards and TD. The previous year, he led the Bruins in interceptions with 6. Although small (5-9, 175), he's a fine tackler and all-around defender. Compensates for his size with fine football instincts and great hitting. He's won numerous honors the past two years and appears ready to make an even stronger bid for more "All" acclaim this fall. He won 1970 AP and UPI All-Coast second team honors on defense; in 1969, he was named to UPI's All-Coast first team and AP's second team. Also as a sophomore he won the Bruin trophy for "Rookie-of-the-Year." Starred on the undefeated 1968 UCLA Frosh team as a split end and also the punt and kickoff returner. Lettered in football under coach Gene Vollnogle at Carson Hi in Torrance, Calif.; also lettered in baseball, track and cross country. Was twice named to Los Angeles All-City grid team and also won All-America and All-State prep football acclaim. Served as both football and track captains. Also served as both Student Body and Senior Class president.

INDIVIDUAL VARSITY STATISTICS

1969—Interceptions: 6 for 97 yards, 16.17 average, no TD's.
Punt Returns: 33 for 292 yards, 8.84 average, no TD's.
Kickoff Returns: 8 for 255 yards, 31.88 average, no TD's.
1970—Interceptions: 1 for 85 yards and a TD.
Punt Returns: 21 for 124 yards, 5.9 average, no TD's.
Kickoff Returns: 21 for 434 yards, 20.7 average, no TD's.
2-Yr. Totals—Interceptions: 7 for 182, 26.0 average, 1 TD.
Punt Returns: 54 for 416 yards, 7.7 average, no TD's.
Kickoff Returns: 29 for 469 yards, 23.8 average, no TD's.

ROBERT SCOTT (BOB) CHRISTIANSEN—Senior; Economics major. Came into prominence last year as an outstanding right (tight) end on offense. In fact, he was the popular recipient of the Bruins' 1970 Captain Don Brown Memorial Trophy for Most Improved Player. Wound up as the team's No. 2 receiver with 32 catches after making only one reception as a sophomore TE in '69. Started all 11 games last fall

and played 317 minutes, the third most of any returnee, as compared to playing only 48 minutes as a '69 reserve. Had an excellent spring practice and is tabbed to be one of the Pac-8's foremost tight ends this fall. He has size (6-3, 226), speed and excellent hands. Was a member of the 1968 non-playing varsity squad after playing on the 1967 UCLA Frosh team. Lettered in football under coach Roy Jae at Reseda (Calif.) Hi; also lettered in baseball. Won 1966 Los Angeles All-City grid honors.

INDIVIDUAL VARSITY STATISTICS

1969—Receiving: 1 reception, 11 yards, 1 TD.
1970—Receiving: 32 receptions, 496 yards, 15.5 average, 4 TD's.
2-Yr. Totals—Receiving: 33 receptions, 507 yards, 15.4 average, 5 TD's.

EUGENE ANTHONY (GENE) CLARK—Sophomore; Psychology major. Up from last year's undefeated UCLA Frosh team on which he was a part-time starting offensive right tackle. Handicapped most of frosh season by injuries but impressed in spring practice. In other words, this big Bruin (6-2½, 260) has great potential and figures to back up another big Bruin, Bruce Walton (6-5, 265), in good style at ORT. Clark, nicknamed "The Tank" by his teammates, has excellent speed and strength. A good athlete, he showed promise in the shot put on the Bruin track team before reporting to spring practice. He figures to improve several feet on his 54-7¼ best. Lettered in football under coach Ben Hammerschmidt at Riverside (Calif.) Poly Hi; also lettered in track and wrestling. Was prominent in student affairs as well as athletics. Served as governor of the Boys State and assistant mayor of Riverside. Voted both "Outstanding Senior" and "Athlete of Year." Also served as wrstling captain.

MICHAEL GARLAND (MIKE) CLAYTON—Junior; Psychology major. Started two games, one at flankerback and one at split end, last season. In all, saw 110 minutes of action. Caught 12 passes for 199 yards and no TD's. Started slow in spring practice but was coming strong at close. In fact, he wound up as the No. 1 flanker with veterans Brad Lyman (knee) and Reggie Echols (track) excused from the off-season drills. He's strong and fast. Transferred to UCLA in spring of 1970 from Los Angeles City College where he starred as a defensive back for one season (1969), winning all-conference honors. Lettered in football under coach Jim Pendleton at Los Angeles Hi. Won all-league honors. Served as football captain.

INDIVIDUAL VARSITY STATISTICS

1970—Receiving: 12 receptions, 199 yards, 16.6 average, no TD's.

MICHAEL VINCENT (MIKE) COCHRAN—Sophomore; Business major. Transferred to UCLA in fall of 1970 from Santa Monica (Calif.) City College where he played for one season (1969). Was a member of the non-playing varsity squad last year. This former quarterback had an excellent spring practice at flankerback. Has fine speed and has improved tremendously, especially as a pass catcher. He impressed in the final spring game, with three receptions for 67 yards, 48 of them coming on a miraculous, belly-landing catch of

a deflected pass that set up a TD. He could be a most pleasant surprise this fall. Lettered in football under coach Charles Brown at Centennial Hi in Compton, Calif.

DAVID M. (DAVE) DALBY—Senior; Geography major; Phi Gamma Delta fraternity. Looms as the greatest center in UCLA football history and the Bruins have had some superb ones at the pivot post. He's now started 21 straight varsity games and is tabbed as the team's premier candidate for 1971 All-America honors. He played 315 minutes last year, 246 in 1969. In fact, he's already been named on several pre-season A-A teams. Last year, he was picked on AP's third All-America team and also was on the All-Pacific-8 first team picked by the conference coaches and on AP's All-Coast first team. Plus, he and senior tackle Tim Oesterling were co-recipients of the Bruins' 1970 Paul I. Wellman Award for all-around excellence. A tremendous blocker, he has the quickness needed to pull out of the line and lead sweeps on bootleg plays. Also gives QB great pass protection. He has amazing body balance and agility. In other words, this 6-3, 235-lb. veteran has all the credentials to be a super player, an unanimous A-A choice and a leader of the '71 Bruins. He was a starting offensive guard on 1968 UCLA Frosh team. Lettered in football under coach Harry Robinson at La Serna Hi in Whittier, Calif.; also lettered in baseball and basketball. Won All-Suburban League grid honors in both 1966 and '67. Also received 1967 All-Southern California CIF second team grid laurels.

REGINALD ALLEN (REGGIE) ECHOLS — Junior; Physiology major. This speedy flankerback, who started 5 games at this position last year as a sophomore, was excused from spring practice to compete on UCLA's Pacific-8 and NCAA track champions. Echols, who has best times of 9.4 (wind-aided) and 21.0 in the sprints and 47.2 in the 440, was on the winning Pac-8 440 (39.9) and mile (3:08.3) relay teams and also placed fifth in the conference 220 (21.4); and also ran on the winning NCAA mile relay team (3:04.4). Last year, he decided to take a crack at varsity football even though he hadn't played frosh football in 1969. With his great speed and all-around athletic ability, he made remarkable strides and played a lot of football for the 1970 Bruins from the outset of the season. He was the team's No. 4 receiver with 19 catches for 349 yards and one TD. One of a disappearing breed, a two-sport athlete at a major university, Reggie figures to battle another veteran, Brad Lyman, for the starting flanker spot if the latter has recovered from a knee operation which kept him out of spring practice. Lettered in football under coach Paul Chavira at Verbum Dei Hi in Los Angeles; also lettered in track and basketball. Won All-Angelus League first team honors as a safety and second-team all-league acclaim at flank-

erback. Caught 35 passes in senior season. Also won all-league honors in both track and basketball. A versatile trackster, he ran sprints (9.5 and 21.2), high jumped (6-6) and long jumped (23-8). Served as student body vice president and basketball captain.

INDIVIDUAL VARSITY STATISTICS

1970—Receiving: 19 receptions, 349 yards, 18.3 average, 1 TD.
Rushing: 1 carry, 35 net yards, no TD's.

ALLAN DELON ELLIS—Junior; Sociology major. Figures to come into his own as one of the Pacific-8's finest cornerbacks on defense. A great athlete, he has both speed and strength. A real hitter, he plays the run and pass equally well. Didn't make an interception as a sophomore but figures to correct that this fall. Started all 11 games last year and played 323 minutes, 2nd most of any returnee. Had an outstanding spring practice, including a big final game in which he intercepted a pass and made several blitzing tackles. In other words, Ellis has the ability to be a great one! Was the recipient of the Charles Pike Memorial Award as the 1969 Frosh captain and starting cornerback. Lettered in football under coach Aaron Wade at Centennial Hi in Compton, Calif. Won 1968 all-league "Player of the Year" honors. Served as football captain two seasons.

MICHAEL RICHARD (MIKE) EVANS — Junior; Political Science (Pre-Law) major. Did a fine job of backing up Dave Dalby at center last year and figures to do an even better job this fall. Has made steady improvement since being the 1969 UCLA Frosh starting center. He's improved his blocking and pass protection. In other words, the coaches feel very secure when Mike is in there. He has fine size (6-4, 230). Lettered in football under coach Bill Hicks at Savanna Hi in Anaheim, Calif.; also lettered in wrestling. Won both all-league and All-Orange County grid honors. Served as football captain.

JAMES HOWARD (JIM) FARMER — Sophomore; Sociology major. Was a starting cornerback on last year's undefeated UCLA Frosh team. Moved from cornerback to strong safety in spring practice and indicated he has the size (6-0, 195) and quickness to develop at this position. He's the brother of an outstanding UCLA footballer, George Farmer, who starred at wingback in 1967-68-69 and impressed last year as a flanker for the Chicago Bears. Lettered in basketball and track. Won all-league honors and served as captain in all three sports.

ROBERT STEVEN (BOBBY) FERRELL — Sophomore; Business major. Showed fine promise as a running back on last year's undefeated UCLA Frosh team. Netted 88 yards on 16 carries for a 4.9 average and three TD's. Also returned punts and kickoffs. Was injured in spring practice and saw limited action. However, he was impressive during time he was healthy.

THUMBNAIL SKETCHES

Has quick feet and good running instincts. Lettered in football under Gary Norvell at Ganesha Hi in Pomona, Calif.; also lettered in track. Won All-Southern California CIF and All-San Gabriel grid honors.

MICHAEL ANTHONY (MIKE) FLORES—Junior; Physical Education major. Transferred to UCLA from Santa Monica (Calif.) City College last April and had an outstanding spring practice. In fact, he wound up the off-season drills as the probable No. 1 quarterback for the 1971 Bruins. He's an excellent passer and his execution of the option improved steadily. A hard worker with a good attitude, he figures to continue his improvement this fall. In the final spring game, he hit on 15 of 23 passes for 127 yards. Starred at SMCC for past two years where he completed 149 of 290 passes for 2,428 yards, 14 interceptions and 21 TD's. Won All-Metropolitan Conference grid honors at SMCC and also All-American JC honorable mention. Lettered in football under coach Phil Bolger at St. Bernard Hi in Playa del Rey, Calif.; also lettered in basketball. Served as football captain.

EDWARD ALBERT (ED) GALIGHER—Senior; Engineering major. Without benefit of spring practice, this transfer from Chabot JC in Hayward, Calif., came out of nowhere to become a standout defensive end last year. Actually, he virtually split playing time with starter Jim Berg, at DLE, playing 183 to 190 for Berg. He and Berg are again teaming up at DLT (the same duties as last year but now designated as a tackle), with Galigher being listed No. 1 after spring practice. He transferred to UCLA in spring of 1970 but missed the off-season drills because of a knee operation. Has great size (6-4, 250), agility and quickness for his position. In fact, he could be one of the Pac-8's best defensive tackles. Starred at tackle for two years at Chabot JC. Lettered in football under coach Herb Baxter at Sunset Hi in Hayward; also lettered in baseball and wrestling.

THOMAS CLAYTON (CLAY) GALLAGHER—Junior; Business major. Transferred to UCLA last April from Glendale (Calif.) JC where he won all-conference honors at quarterback for past two years. Completed 208 of 429 passes for 2,456 yards and 20 TD's at GJC; also netted 171 yards rushing. Had an outstanding spring game, turning in an all-around impressive performance in the final game, hitting on 8 of 15 passes for 123 yards. Throws long pass and executes option well. Has good speed and is a little better runner than Mike Flores. Like Flores, he also impressed as a hard worker and with his intelligence. He and Flores give the Bruins adaquate potential at QB this fall. Lettered in football under coach James Yang at St. Francis Hi in La Canada, Calif.; also lettered in baseball. Won all-league honors in both sports. Served as Senior Class president.

THUMBNAIL SKETCHES

RANDY PAUL GASCHLER — Junior; Economics major. Did a fine job backing up veteran Bob Bartlett at offensive left guard last year. Played 52 minutes. Had an excellent spring practice and looms as a very solid starter at OLG this fall. He's a sound and fundamental football player with good techniques. Has good size (5-11, 220), speed—and he's tough. He's a former fullback; in fact, he led the undefeated 1968 UCLA Frosh team in rushing with a 5.3 average. Was on the 1969 non-playing varsity squad during which time he was moved to offensive guard. He's been bothered on and off at UCLA by injuries. Lettered in football under coach Ken Scanvino at El Dorado Hi in Placerville, Calif.; also lettered in basketball and track. Won 1967 All-Northern California second team grid honors and also was an all-league selection for two years. Served as football captain.

BRIAN HERBERT GOODMAN—Senior; Physical Education major. Started all 11 games at offensive right guard last year and is tabbed to be No. 1 again at ORG this fall. Played 313 minutes, one of only four returnees to play more than 300. Has good size (6-2, 245) and tremendous speed for a big man. He's a fine blocker and pass protector. In short, he's a good one. Transferred to UCLA from Los Angeles Valley JC, located in Van Nuys, Calif., where he starred at tackle for two years. Won 1969 All-Metropolitan Conference honors. Lettered in football under coach Lou Birnbaum at Hollywood (Calif.) Hi. Once, on a tackle eligible play, he ran 70 yards for a TD. Won All-Western League honors in 1967. Served as football captain.

SCOTT CASE HENDERSON—Junior; undecided on major in College of Letters & Science. Has been on non-playing varsity squad for past two years after being the starting quarterback on the undefeated 1968 UCLA Frosh team. Completed 19 of 36 passes for 240 yards and one TD for the Brubabes. Saw limited duty behind Mike Flores and Clay Gallagher last spring but did impress with his running of the option play. He's the No. 3 QB going into fall practice. Lettered in football under coach Cecil Crow at Sunny Hills in Fullerton, Calif.; also lettered in track. Was voted his league's "Back of the Year" in 1967. He went both ways, at QB and safety. Was a 13-6 pole vaulter. Served as captain of both sports. Also served as Junior Class president.

STEVEN KEANIANIOKALANI (STEVE OR HOOK) HOOKANO—Sophomore; undecided on major in College of Letters & Science. Up from last year's undefeated UCLA Frosh team on which he was a starting safetyman. Moved at start of spring practice from defensive back to defensive right end. Started slow last spring because of injuries but came very strong toward the end. Has good quickness and is very aggressive.

THUMBNAIL SKETCHES

Should definitely be in DRE picture this fall. One of two Hawaiians on UCLA team this fall, the other is senior Mike Pavich, the starting middle guard. Lettered in football under coach George Naukana at Kamehameha School in Honolulu; also lettered in basketball and track. Won All-Hawaiian prep grid honors. Served as football captain.

GARRETT BELL (GARY) JAMES—Sophomore; undecided on major in College of Letters & Science. Up from last year's undefeated UCLA Frosh team on which he was a starter at left safety. He intercepted one pass. An intense, hard working player, he figures to develop with varsity experience into a real good one at free safety. This fall, he'll back up two seniors at this position, Ron Carver and Frank Jones. Lettered in football under coach John Callard at Rancho Alamitos Hi in Garden Grove, Calif. Won All-Southern California CIF and all-league honors.

JEROME R. (JERRY) JASO—Senior; History major. A two-year veteran, he figures to be the starting "Bruin," the name designating the "Rover" or strong safety in UCLA's defensive alignment. For past two years he's spelled two outstanding seniors at safety, first Dennis Spurling in 1969 when he played 51 minutes and Doug Huff last year when he saw 73 minutes of action and started two games. He's intercepted three passes, one for a TD in 1969 and two last year. Had a very good spring practice and picked up new techniques of his position in good style. He's quick and aggressive. Didn't compete on 1968 UCLA Frosh team because of injuries. Lettered in football under coach Al Matz at Poly Hi in Long Beach, Calif.; also lettered in baseball. Won All-Moore League grid honors and also received All-Southern California CIF baseball acclaim. Served as football captain. Incidentally, his uncle, Earl Bruce, is an assistant football coach at Penn State.

INDIVIDUAL VARSITY STATISTICS

1969—Pass Interceptions: 1 for 36 yards and TD.
1970—Pass Interceptions: 2 for 11 yards, 5.5 average, no TD's.
2-Yr. Totals—Pass Interceptions: 3 for 47 yards, 15.7 average, 1 TD.

FRANK CLARENCE JONES — Senior; Sociology major. A two-year veteran, he'll probably swing between free safety and left cornerback. He's played both positions past two years, 49 minutes at left safety behind Ron Carver in 1963 and 63 minutes at left cornerback behind Allan Ellis last fall. He has good speed and size (6-2, 185) for a defensive back. Has fine reaction defending against the pass. Transferred to UCLA in fall of 1969 from Los Angeles City College where he starred for one year (1968) at quarterback. Lettered in football under coach Frank D'Alessandro at Washington Hi in Los Angeles; also lettered in track. Won 1967 All-Southern League grid honors and also was voted his team's "Most Valuable Player"

award. Played both QB and defensive halfback. Served as football captain.

INDIVIDUAL VARSITY STATISTICS
1969—Pass Interceptions: 1 for 34 yards, no TD's.
1970—Pass Interceptions: None.
Punt Returns: 9 for 107 yards, 11.9 average, no TD's.
Kickoff Returns: 5 for 80 yards, 16.0 average, no TD's.

JIMMIE LEE JONES—Sophomore; Sociology major. Moves up from last year's non-playing varsity squad after transferring in fall of 1970 from East Los Angeles JC where he played one year. Showed promise at left linebacker last spring and may be the team's quickest LB. He may swing between both linebacker positions. Lettered in football under coach Gil Rosedilla at Los Angeles Hi. Played both linebacker and halfback. Served as football captain.

PATRICK JOSEPH (PAT) KEALEY—Junior; Political Science major. After two years on the Bruins' non-playing varsity squad, look for this converted linebacker to see lots of action this season at defensive left end. Started slow last spring but came strong at the end of the off-season drills. He demonstrated the dedication and temperament to play at new position. Was a starting linebacker on undefeated 1968 UCLA Frosh team. Lettered in football under George Swade at Bishop Montgomery Hi in Torrance, Calif. Won all-league honors for two years. Served as football captain.

STEVE KELLY—Sophomore; undecided on major in College of Letters & Science. Up from last year's undefeated UCLA Frosh team on which he was the starting middle linebacker. Intercepted one pass. Started slowly last spring but came strong at close of drills at LLB. Wound up as one of the most outstanding sophs on defense. He's a hard hitter. Lettered in football under coach Marijon Ancich at St. Paul Hi in Santa Fe Springs, Calif.; also lettered in baseball. Won All-Southern California CIF and all-league grid honors. Also won all-league acclaim in baseball. Served as captain in both sports.

HORACE MARVIN (MARV) KENDRICKS—Senior; Sociology major. Came into his own as a great running back last fall. In fact, he wound up as the Bruins' top rusher with 573 net yards on 107 carries for a 5.4 average and 6 TD's. Also tied with returning Randy Tyler as the team's leading scorer with 40 points. Also caught two passes. Played 117 minutes and started 5 games last year. Turned in a sensational performance against USC, netting 182 yards on 28 carries for a 6.5 average and 2 TD's. Received All-Coast honorable mention by both AP and UPI. Also was the recipient of the Bruins' N. N. Sugarman Perpetual Trophy given for best spirit and scholarship. A fine student, he also was a member of the 1970 Pacific-8 Conference All-Academic team on offense. Although he had to fight a painful injury (a pinched nerve in his back) most of spring practice, look for Kendricks to be ready for a banner senior campaign. Besides being a gifted back, he also has such valuable team qualities as poise, enthusiasm and leadership. Transferred to UCLA in spring of 1970 from Riverside (Calif.) City

College where he starred for two years as a running back. Won All-America JC honors in both 1968 and '69. Lettered in football under coach Gene Hall at Mt. Vernon (Ill.) Hi; also lettered in track. Won All-State and All-America prep grid acclaim.

INDIVIDUAL VARSITY STATISTICS

1970—Rushing: 107 carries, 573 yards, 5.4 average, 6 TD's.
Scoring: 6 TD's and 2 conversions for 40 points.
Receiving: 2 receptions, 15 yards, 7.5 average, no TD's.

STEVEN LEE (STEVE) KLOSTERMAN — Sophomore; Economics major. Moves up from last year's non-playing varsity squad after being a starting tackle on the 1969 UCLA Frosh team. Switched from defensive tackle to center last spring and showed excellent potential. A very aggressive and hard-nosed player, he appears to have a bright future as a Bruin. Lettered in football under coach Hal Akins at Laguna Beach (Calif.) Hi; also lettered in basketball. Won All-San Diego CIF, All-County and all-league grid honors as a center and tackle. Served as football captain.

MAX R. KNUPPER — Senior; Physical Education major. Lettered last year as a linebacker, playing 45 minutes and starting one game. He'll move to defensive right end this fall. However, he couldn't take part in spring practice because of a shoulder injury. The coaches feel he can really help as he's the only experienced player at this position behind sophs Fred McNeill and Steve Hookano and could furnish valuable leadership. A tough performer, he's especially rugged against the run. Transferred to UCLA in spring of 1970 from Bakersfield (Calif.) JC where he starred for two years as a defensive end. Won 1969 All-Metropolitan Conference honors. Lettered in football under coach Pat Mills at Wasco (Calif.) Hi; also lettered in track and wrestling. Won all-league grid honors. Also served as captain in both football and wrestling.

JOHN CLAIRE (JACK) LASSNER—Junior; Economics major. He and Bob Christiansen give the Bruins a mighty classy 1-2 punch at offensive right end. Last year, at same position, he played 77 minutes behind Christiansen. An ideal tight end, he has excellent speed, size (6-3, 220) and good hands. Surprisingly enough, however, he didn't catch a pass last year. Was the starting right end on 1969 UCLA Frosh team. Lettered in football under coach Don Brown at Mira Loma Hi in Sacramento, Calif.; also lettered in basketball and baseball. Served as football captain.

RUSSELL FRANK (RUSS) LEAL—Junior; Linguistics major. A very capable offensive right guard, a position he also played last year, he's making steady improvement and has a bright future. Has outstanding physical credentials (6-2, 228), including speed and

strength. May operate as a swing guard on offense. Was a starting offensive guard on 1969 UCLA Frosh team. Lettered in football under coach Chuck Reynolds at Cupertino (Calif.) Hi; also lettered in baseball, track and wrestling. Won All-Northern California prep grid honors. Served as captain in football, baseball and wrestling.

ALAN BARRY (AL) LEMMERMAN — Junior; Physical Education major. Saw 92 minutes of action at safety behind Ron Carver last year. Started one game. He'll operate at right cornerback this fall and may challenge Rob Scribner for starting honors. An intense and hard working performer, he's a hard hitter with good speed — and especially tough on pass defense. Was on 1969 UCLA Frosh team. Lettered in football under coach John Ford at Lakeside (Calif.) Hi; also lettered in baseball and basketball. Won All-Long Beach City and all-league grid honors. Served as captain for both football and baseball.

WILLIAM ALLEN (BILL) LITTLE — Sophomore; Pre-Dental major. Up from last year's undefeated UCLA Frosh team on which he was a starting cornerback on defense. Showed improvement last spring and figures to play this fall behind Allan Ellis at LC. A good hitter, he plays the run very well. Lettered in football under coach Frank Hicks at Sonora Hi in La Habra, Calif.; also lettered in basketball and track. Won all-league grid honors.

CHARLES BRADLEY (BRAD) LYMAN—Senior; Physical Education major; Phi Kappa Sigma fraternity. A two-year veteran at flankerback, he played 57 minutes and started three games last year and 70 minutes as the No. 2 flanker behind George Farmer in 1969. However, he was recuperating from knee surgery last spring and didn't see action. If he's physically ready, he figures to battle Reggie Echols for starting honors. Caught 8 passes last year, 3 as a soph in 1969. Netted 19 yards on 2 carries last year, 17 on 5 carries in '69. A speedster, he's a bonafide two-sport star. In 1969, he was a member of the Bruins' winning NCAA and Pac-8 mile relay teams and also placed sixth in the Pac-8 440. Has all-time fastest clockings of 9.6 and 21.4 in the sprints and 47.7 in 440 and 46.6 in relay leg. Also couldn't compete in track last spring because of his knee. Was the starting flankerback on undefeated 1968 UCLA Frosh team. Lettered in football under coach Tom Burt at Los Altos (Calif.) Hi;

also lettered in baseball, basketball and track. Was one of Northern California's top prep sprinters with bests of 9.6 and 21.4.

INDIVIDUAL VARSITY STATISTICS
1969—Rushing: 5 carries, 17 net yards, 3.4 average, 1 TD.
Receiving: 3 receptions, 137 yards, 45.6 average, 1 TD.
1970—Rushing: 2 carries, 19 net yards, 9.5 average, no TD's.
Receiving: 8 receptions, 77 yards, 9.6 average, no TD's.
2-Yr. Totals—Rushing: 7 carries, 36 yards, 5.1 average, 1 TD.
Receiving: 11 receptions, 214 yards, 19.5 average, 1 TD.

DOMINIC JOSEPH (DOM) MANCINI — Senior; Economics major. After two years of very limited action as a non-letterman running back, look for Mancini to come into his own as a valuable Bruin this fall. Was one of the most pleasant surprises of spring practice with his hard running and all-around play. He carried only 3 times for 20 net yards last year and 15 times for 93 yards in 1969. Was the starting tailback on undefeated 1968 UCLA Frosh team. Lettered in football under coach Len Tyrell at Fenwick Hi in Oak Park, Ill. Won All-State and All-Chicago Catholic League honors at quarterback and halfback.

INDIVIDUAL VARSITY STATISTICS
1969—Rushing: 15 carries, 93 net yards, 6.2 average, no TD's.
1970—Rushing: 3 carries, 20 net yards, 6.7 average, no TD's.
Scoring: 1 running conversion for 2 points.
2-Yr. Totals—Rushing: 18 carries, 113 net yards, 6.3 average, no TD's.

JAMES EDWARD McALISTER — Sophomore; undecided on major in College of Letters & Science. Up from last year's undefeated UCLA frosh team comes this much-talked about athlete not only as a running back in football but also as a long jumper in track and field. His potential is unlimited in both sports. Showed his speed and strength to good advantage in spring game, netting 170 yards on 23 carries for a 7.4 average, with one of his runs a 25-yd. sprint for a TD. Coach Rodgers told the press following the game, "I won't compare him to anybody, but let's say he's a better runner than anyone I've had at this stage of his career." However, he must show improvement in other phases of the game, including blocking, to be a complete player. Last fall, he led the Brubabes in rushing with 360 net yards on 66 carries for a 5.4 average and 3 TD's, including a 95-yd. TD run against the USC Trobabes. Prior to reporting for spring practice he demonstrated he was a world-class long jumper with a 26-6¾ leap to set a new UCLA record. (He also barely fouled by an inch or two on a 27-10 leap!) He's rated a standout LJ candidate for 1972 U. S. Olympic team. Lettered in football under coach Pete Yoder at Blair Hi in Pasadena, Calif.; also lettered in track. Won All-Southern California CIF and All-American prep honors in both sports. Tied the National prep LJ record in 1969 with a 25-7 leap.

FREDERICK A. (FRED) McNEILL—Sophomore; undecided on major in College of Letters & Science. This brother of USC tailback Rod McNeill is rated a most promising defensive right end. He's up from last year's undefeated UCLA Frosh team on which he was a starting linebacker. Had a fine spring practice. In fact, in final game he blocked a punt, knocked down a pass and was in on many tackles. Has excellent speed and can run plays down from behind. Also is a promising high hurdler on UCLA track team and posted a

14.5 best time last spring. Lettered in football under coach Ed Knight at Baldwin Park (Calif.) Hi; also lettered in track and basketball. Won All-Southern California CIF grid honors. Served as football captain.

VINCENT LEONG (VINCE) MOK—Junior; Political Science major. Played 86 minutes behind Greg Snyder at middle linebacker last year. This fall, he and Snyder will be the talented twosome operating at RLB. This player of Chinese descent is an intense performer with quickness. He makes the big play and is probably the team's best LB against the screen. Moved up last year from the 1969 non-playing varsity squad. Transferred to UCLA in spring of 1969 from DeAnza JC in Cupertino, Calif., where he starred for one year (1968). Won All-Camino Del Norte Conference honors and All-America JC honorable mention. Lettered in football under coach Ron Useldinger at Homestead Hi in Sunnyvale, Calif.; also lettered in baseball and basketball. Won All-Northern California prep grid honors in 1967. Served as football captain.

PAUL TIMOTHY MOYNEUR — Junior; History major. This converted quarterback stepped in and did a good job at linebacker for the 1970 Bruins. Played 55 minutes and started 2 games. Intercepted one pass. Moved from LB to the "Bruin" (strong safety) position last spring and wound up the off-season drills pushing senior Jerry Jaso for starting honors. In 1969, he was on the Bruins' non-playing varsity squad after being a QB on the undefeated 1968 UCLA Frosh team. Lettered in football under coach Dick Disney at Orange Glen Hi in Escondido, Calif.; also lettered in baseball. Won 1967 All-San Diego CIF grid honors at QB. Served as football captain.

INDIVIDUAL VARSITY STATISTICS

1970—Pass Interceptions: 1 for no yards, no TD's.

MICHAEL WILLIAM (MIKE) PAVICH—Senior; Mathematics major. A two-year veteran at defensive tackle, he's now at middle guard and looms as one of the quickest and most intense defensive linemen on the Coast. Has tremendous quickness and also with his experience is expected to be a team mainstay again this fall. Last year, he started all 11 games and played 240 minutes at DRT. As a soph in 1969, he backed up All-American Floyd Reese at DRT and did a fine job, playing 79 minutes. Was a starting defensive tackle and honorary captain of undefeated 1968 UCLA Frosh team. Lettered in football under coach Cal Chai at Kamehameha School in Honolulu, Hawaii; also lettered in track. Won All-State and All-America prep grid honors. Served as captain in both sports.

GREG LEO PEARMAN—Senior; History major. Started 10 of 11 games at offensive last tackle last year and came into his own as an outstanding lineman. Played 237 minutes. Figures to be even better at same position this fall. Showed improvement in every phase of his game last spring. Has fine size (6-5, 252) for his position. Saw 59 minutes of action as the capable No. 2 OLT in 1959. Was a starting offensive tackle on undefeated 1968 UCLA Frosh team. Lettered in football under coach Ernie Johnson at El Rancho Hi in Pico-Rivera, Calif.; also lettered in basketball. Won All-Pacific League grid honors.

CALVIN ELSTON (CAL) PETERSON—Sophomore; undecided on major in College of Letters & Science. Up from last year's undefeated UCLA Frosh team on which he was a starting linebacker. Had an outstanding spring practice and looms as the starting defensive left end this fall. In other words, he's of the Bruins' top soph prospects. Very aggressive, he has excellent size (6-4, 215) and speed for his position. Lettered in football under coach Jim Pendleton at Los Angeles Hi; also lettered in track. Won All-City grid honors. Served as football captain.

EARL DONALD (PETE) PETERSON — Junior; Political Science major. Saw 101 minutes of action behind starting defensive tackles Mike Pavich and Tim Osterling last year and played some fine football for the Bruins, especially against Texas when Pavich was injured. He's strong on the pass rush. A fine hustler and spirited player, he and Craig Campbell give the Bruins a solid 1-2 duo at DRT. Moved up last fall from the 1969 non-playing varsity squad. Was a starting defensive tackle on undefeated 1968 UCLA Frosh team. Lettered in football under coach Gene Edwards at La Jolla (Calif.) Hi; also lettered in baseball, basketball and wrestling. Won All-San Diego CIF grid honors in junior year (1966) and was a two-year all-league selection. Served as football captain.

ROBERT M. (BOB OR PIFF) PIFFERINI, JR.—Senior; Physical Education major. AP picked him on its 1970 All-Coast first team on defense at linebacker and he received other All-Pacific-8 and All-Coast honorable mention. An outstanding athlete, he figures to rate even more "All" acclaim as the Bruins' starting LLB this fall. Moved to an inside LB position last spring and had no problem in picking up techniques of new position. Was particularly impressive on pass defense. Has great range. Last year, he started 10 of

the 11 games and played 278 minutes. In 1969, played 97 minutes as the No. 2 RLB. Gave up baseball to concentrate on football. Was the Bruins' 1969 starting catcher. Was a starting lineback on undefeated 1968 UCLA Frosh team. Lettered in football under coach Ron Useldinger at Homestead Hi in Sunnyvale, Calif.; also lettered in baseball. Won All-Northern California third team grid honors. Served as baseball captain. Incidentaly, his father, Bob Pifferini, was a pro football star and is now coaching at De Anza JC in Cupertino, Calif.

CLAYTON CARL RECORD—Junior; Political Science major. He and Bruce Barnes give the Bruins a talented pair of kicking specialists. Last year, Record didn't punt but he's capable one if needed. He did make good on 8 of 11 conversion kicks and also hit on 3 of 4 field goals. He, perhaps, is a better and more consistent FG kicker than a punter. Moved up from 1969 non-playing varsity squad after being a defensive cornerback on undefeated 1968 UCLA Frosh team. Lettered in football under coach Jim Adams at San Jacinto (Calif.) Hi; also lettered in basketball, baseball and track. Served as captain of all sports except track. Also served as student body president.

DAN M. RICE—Sophomore; Political Science major. Up from last year's undefeated UCLA Frosh team on which he was a starting offensive left guard. Had a fine spring practice and showed steady improvement day by day at OLG. Has ability to challenge Randy Gaschler for starting honors. He's quick, aggressive and has good size (6-1, 230). Lettered in football under coach Jim Bunyard at Hawthorne (Calif.) Hi; also lettered in track. Won all-league grid honors. Served as football captain.

OSCAR BENNIE ROAN III—Sophomore; Accounting major. Up from last year's undefeated UCLA Frosh team on which he was a starting offensive tight end. Caught 3 passes for 77 yards. Was moved to split end last spring and when starter Terry Vernoy was hurt he moved into the No. 1 spot. Has good size (6-6, 200) and excellent speed—and also has the knack of getting open. Also showed promise as a reserve center on last season's undefeated UCLA Frosh basketball team. Lettered in football under coach Ray Mattingly at South Oak Cliff Hi in Dallas, Tex.; also lettered in basketball. Won All-District honors in both sports. Served as basketball captain.

CHARLES WILLIAM (CHARLIE) SCHUHMANN—Sophomore; undecided on major in College of Letters & Science. He's another promising running back up from last year's undefeated UCLA Frosh team. Was the Brubabes' No. 3 rusher with 160 yards on 29 carries for a 5.5 average and no TD's. He possesses all the qualities of standout running back except great speed. Lettered in football under coach Brent Carder at Bonita Hi in La Verne, Calif.; also lettered in baseball and track. Won 1969 All-Southern California CIF grid honors. Served as football captain in both his junior and senior years.

ROBERT BRUCE (BOB) SCRIBNER—Junior; undecided on major in College of Letters & Science. Here is a converted quarterback who stepped in and did a fine job at linebacker last year. Played 58 minutes at LB and started one game. Last spring he was moved to right cornerback and looms as the probable starter. A good all-around athlete, he combines speed and hitting power. Was the starting QB on the 1969 UCLA Frosh team. A really fine runner, he gained more than 100 yards against both USC Frosh (147 yards, including a 62-yd. TD run) and Stanford Frosh (115 yards, including a 64-yd. TD run). Lettered in football under coach Winston Tucker at Van Nuys (Calif.) Hi; also lettered in baseball and track. Was 1968 All-Los Angeles City second team selection at QB and also was "Player of the Year" in Valley League. Served as football captain two years.

GREG LEE SNYDER — Senior; History major; Phi Kappa Sigma fraternity. A two-year returning veteran, who started all 11 games at MLB last year and backed up All-American Mike Ballou at the same position in 1969, is tabbed to be a team leader and a star player for the Bruins this fall. Played 244 minutes last year and 77 minutes in 1969. He and Bob Pifferini make the LB's one of the team's strong points on defense. Greg had an outstanding spring practice in all categories. He hits hard and has fine football savvy. Didn't play in 1968 because of a knee operation. Was a defensive end on 1967 UCLA Frosh team. Lettered in football under coach Dan Buckley at Pomona (Calif.) Catholic Hi. Won All-San Gabriel Valley prep honors. Served as football captain two years. Also served as student body president.

ROD A. STENSRUD — Sophomore; undecided on major in College of Letters & Science. A promising running back, he was on last year's non-playing varsity squad because of injuries. Has good speed and balance and indicated last spring that he may play this fall. Was a tailback on 1969 UCLA Frosh team. Lettered in football under coach Angelo Aguiar at St. Francis Hi in Mountain View, Calif.; also lettered in basketball and track. Won all-league grid honors. Served as football captain.

STEPHEN LANCE (STEVE) TAMBORSKI—Junior; undecided on major in College of Letters & Science. Showed real promise as a 1970 sophomore backing up Greg Pearman at offensive tackle. He and Pearman are back at the old stand and give the Bruins a solid duo at OLT. Big Steve (6-5, 233) showed tremendous improvement last spring. He gained added experience and condence when Pearman was held out

of the last two weeks of the off-season drills. Was a starting defensive tackle on 1969 UCLA Frosh team. Lettered in football under coach Don Lockyer at Concord (Calif.) Hi; also lettered in wrestling. Won All-Contra Costa Country grid honors.

JAMES RANDOLPH (RANDY) TYLER—Junior; Economics major. After being sidelined since midway in 1968 UCLA Frosh season with a knee injury, this hard running back returned to action last fall and wound up as the Bruins' No. 3 rusher with 364 net yards on 80 carries for a 4.6 average and 3 TD's. Also caught 8 passes for 89 yards and 3 TD's. He tied with Marv Kendricks as the team's top scorer with 40 points. He and Kendricks complement each other at one running position in that he is a better blocker and a more disciplined performer but he lacks the speed and elusiveness of Marv. A painful knee injury slowed him down for the first half of spring practice but he came strong the final 10 days and indicated he's going to challenge Kendricks for starting honors. Was the starting fullback on the 1968 UCLA Frosh team, averaging 9.7 yards on 19 carries before being sidelined. Sat out 1969 because of his knee condition. Lettered in football under coach Stan Thomas at Neff Hi in La Mirada, Calif.; also lettered in baseball. Won 1967 All-Southern California CIF Small Schools' "Player of the Year" honors. Also was all-league for three years. Also won All-CIF honors for two years in baseball. Served as football captain three years and baseball one year.

INDIVIDUAL VARSITY STATISTICS

1970—Rushing: 80 carries, 364 net yards, 4.6 average, 3 TD's.
Receiving: 8 receptions, 89 yards, 11.1 average, 3 TD's.
Scoring: 6 TD's and 2 conversions for 40 points.

GARY DON VANDEVANTER—Junior; Economics major. Was moved from offensive tackle, a position he played for two years in JC ranks, to offensive guard last spring. He indicated he has the size (6-4, 240) and ability to play a lot of football for the Bruins at OLG. Was on last year's non-playing varsity squad after transferring to UCLA in the spring of 1970 from Chabot JC in Hayward, Calif., where he starred for two years at offensive tackle. Won 1969 All-America JC second team honors. Lettered in football under coach Gary Clark at Hayward Hi; also lettered in track and football. Won all-league grid honors.

ZENO RAY VEAL—Junior; Sociology major. A promising offensive lineman, he has moved up from last year's non-playing varsity squad. Transferred to UCLA in the spring of 1970 from East Los Angeles JC where he won all-conference honors at tackle in both 1968 and '69. Made fine progress at OLT last spring after being switched from offensive guard and has the size (6-2, 235) and ability to challenge Steve Tamborski for the No. 2 spot behind Greg Pearman. Lettered in football under coach Ray McLeen at Roosevelt Hi in Los Angeles. Won All-Eastern League honors. Was a prep fullback and linebacker.

THUMBNAIL SKETCHES

TERRY ALAN VERNOY—Junior; Pre-Medical major; Phi Delta Theta fraternity. A brilliant wide receiver, either at split end or flankerback, he was the Bruins' No. 3 pass catcher last year with 26 receptions for 420 yards and 3 TD's. Last year, he started 4 games, two at split end and two at flankerback, and played 152 minutes. Was in the midst of a great spring practice when he suffered a knee injury and missed the final two weeks. Has excellent hands and moves and is a real competitor for ball in air. Looms as the first string OLE—and a superb one—if he is completely ready physically. Was the starting split end on undefeated 1968 UCLA Frosh team. Was on the 1969 non-playing varsity squad. Lettered in football under coach Bob Schlatter at Warren Hi in Downey, Calif.; also lettered in track and basketball. Won all-league honors in both football and track. Served as captain in both football and track.

INDIVIDUAL VARSITY STATISTICS

1970—Receiving: 26 receptions, 420 yards, 16.2 average, 3 TD's.

BRUCE EDWARD WALTON—Junior; Political Science (Pre-Law) major. He's the older of a pair of notable athletic brothers currently at UCLA. His younger brother, Bill, is the highly-rated 6-10½ basketball center who led the undefeated UCLA Frosh cagers last year and is tabbed to be the starting varsity pivotman next winter. Bruce had a brilliant sophomore campaign last fall, starting all 11 games and playing 327 minutes, the most of any player on the entire team, at offensive right tackle. A fine student, he was named to the Pacific-8 Conference All-Academic team on offense. With maturity and a year's experience, he figures to put in a strong bid for "All" honors this fall. Has remarkable agility for a big man (6-5, 265). Improved tremendously in techniques last spring, developing more quickness and aggressiveness. Was a starting offensive tackle on 1969 UCLA Frosh team. Lettered in football under coach Al Hammerschmidt at Helix Hi in La Mesa, Calif.; also lettered in basketball and track. Won all-league honors in both football and basketball. Served as football captain.

THE 1970-71 BRUINS DO IT AGAIN! WIN FOUR NCAA TEAM TITLES

For the second straight athletic year, UCLA's 1970-71 Bruins won four NCAA team championships. They swept to victory in basketball, tennis, track and volleyball. The previous 1969-70 year they were NCAA titlists in basketball, tennis, volleyball and water polo.

Also, worth noting, the Bruins were runners-up in two other NCAA sports this past year, losing to UC Irvine, 7-6, in a sudden-death period after two overtimes in the water polo championship game and being edged 1-0 by St. Louis University in the soccer title game.

No other school has ever achieved such NCAA success in back-to-back years and only one other school ever won four team titles in one year. USC did it in 1962-63 in baseball, swimming, tennis and track.

In all, the Bruins have now won 23 coveted NCAA team championships down through the years, 10 in tennis (1950-52-53-54-56-60-61-65-70-71), seven in basketball (1964-65-67-68-69-70-71), three in track (1956-66-71), two in volleyball (1970-71) and one in water polo (1969).

BRUINS CAN BOAST OF 21 FIRST TEAM ALL-AMERICANS

The greatest honor that can come to a football player is to be voted to a bonafide All-America first team.

Here is UCLA's list of 21 such All-Americans down through the years, headed by quarterback Gary Beban who also won the coveted 1967 Heisman Trophy awarded annually to the "Outstanding Collegiate Football Player in the United States."

The Bruins can boast of a pair of two-time All-Americans, center/linebacker Donn Moomaw in both 1950 and '52 and fullback Bob Davenport in 1954 and '55.

1971 BRUINS PLAY SIX OF SEVEN PACIFIC-8 RIVALS

Back in 1928, UCLA joined the Pacific Coast Conference. Now, 43 years later, the Bruins are still a member of virtually the same group, except under the banner of the Pacific-8 Conference.

This season, UCLA plays six of its seven Pac-8 rivals, all except Oregon. The Bruins return to a full conference football schedule in 1972.

UCLA holds an all-time won-loss record edge over each conference rival except USC. The Bruins enter the 1971 season with a 16-7-4 record over Oregon State, 16-6-0 over Washington State, 23-17-1 over California, 17-16-1 over Washington, 21-18-2 over Stanford and 18-12-0 over Oregon, the team they don't face this fall. They trail USC by a 13-22-5 margin.

And so the Bruins' all-time record against their seven Pacific-8 rivals is 124-98-13 for a .555 winning percentage going into 1971.

Here are UCLA's game-by-game results with its conference rivals in the order they are played this season, with the Bruin score listed first:

HISTORY OF UCLA

Once referred to by Life Magazine as "the Athens of Athletics," UCLA had built a solid academic reputation long before it became known as a strong contender in almost every field of sport.

In its earliest years, UCLA's academic standing was based primarily upon its affiliation with the University of California, but UCLA soon acquired a reputation of its own, and in recent years it has been ranked among the dozen leading universities of the nation.

ing universities of the nation.

UCLA's history has also been marked by a steady growth in enrollment and in physical plant. In 1919 there were 1,338 students; today every effort is made t ohold enrollment near the 27,500 ceiling prescribed by the California Master Plan. Totals for the fall quarter have been running slightly over those at Berkeley, or around 29,000.

Since 1929, UCLA has been located on its 411-acre site in Westwood, where its $353,000,000 plant houses an intensive teaching and research program. Altogether, 73 departments of instruction in 13 schools and colleges address themselves to the task of producing high quality graduates for California's needs, and 25 research institutes and centers pursue research goals for society's welfare.

UCLA's faculty totals 1,824 and its staff personnel numbers 8,629.

Though most of UCLA was constructed with state and federal funds, a number of sizable projects are self-liquidating. Residence halls and parking structures (for 10,350 cars) were built with borrowed money which is being repaid by student, faculty and public users. Another structure built without tax funds is the $1,530,000 Track and Field Facility, a 12,500-seat stadium financed by student fees, except for $100,000 contributed by athletic event income.

Pauley Pavilion represents a combination of public and private funding, with $2,000,000 from the state to cover its academic uses; $1,000,000 from UCLA alumni, $1,000,000 from student funds; and $1,000,000 from Regent Edwin W. Pauley.

UCLA's facilities have also been enhanced by private gifts in the academic fields. For example, UCLA's remarkable collection of ethnic art is based largely on the gift of the 25,000-item Wellcome Collection, one of the world's finest. The Franklin D .Murphy Sculpture Garden contains 30 major sculptures by leading 20th Century artists, all gifts of friends of the University.

While UCLA's unusual physical facilities are the most obvious indication of the University's stature, even more significant is the level of research and instruction which has earned the campus a respected place among the leading academic institutions.

UCLA's ranking in the top dozen universities in graduate instruction has been confirmed by the most recent survey of the American Council on Education (1971). UCLA's position in related areas is also well established. For example, UCLA's fine library of more than 3,000,000 volumes was ranked 11th in size and fourth in overall strength by an earlier A.C.E. study.

DR. CHARLES E. YOUNG
UCLA Chancellor

Thirty-nine year old Dr. Charles Edward Young — youngest man ever to head one of the University of California's nine campuses— is Chancellor at UCLA. Known as "Chuck" to his many friends, he stands 6 feet 3 inches in height and weighs just over 200 pounds.

He took office on Sept. 1, 1968, succeeding Dr. Franklin D. Murphy who became Chairman of the Board and Chief Executive Officer of the Times Mirror Company in Los Angeles.

UCLA's present Chancellor was born in San Bernardino, Calif., on Dec. 30, 1931. There he attended high school and junior college. During the Korean War he enlisted in the Air Force and attained the rank of sergeant as Personnel Services Supervisor, serving in California and Japan. Before going overseas, he married a college sweetheart, Sue Daugherty.

When he returned to civilian life, he enrolled in the newly-established University of California, Riverside. During his senior year in 1955, he demonstrated his "take charge" qualities by becoming UC Riverside's first student body president.

He enrolled at UCLA where he earned his M.A. (1957) and his Ph.D. (1960), both in political science. His doctoral dissertation was on the subject of "Politics of Political Boundary Making." He spent the year 1958 in Washington, D. C., on a Congressional Fellowship.

In 1959, UC President Clark Kerr lured him back to California to join his staff. For about a year he served as staff assistant to the academic team drawing up the Master Plan for Higher Education in California, worked on the University Growth Plan, and studied decentralization of the University. He also taught political science at Davis in the spring of 1960.

In the fall of 1960, after Franklin D. Murphy had been appointed UCLA Chancellor, he chose as his assistant the young man-on-the-go. In 1962 Dr. Young took another step up the administratipe ladder to become Assistant Chancellor, and in 1963 he became a Vice Chancellor. His responsibilities included handling administrative, budgetary and student problems.

Chancellor Young holds an academic appointment as professor of political science at UCLA, and his writing and teaching have been in the area of American political theory and politics.

He was a high school football player and attends almost all UCLA football and basketball games. He believes that a sound academic program and a sound athletic program are compatible.

Chancellor Young is UCLA's seventh chief executive. His predecessors included Dr. Ernest Carroll Moore (1919-1936), Dr. Earle R. Hedrick (1937-42), Dr. Clarence A. Dykstra (1945-50), Dr. Raymond B. Allen (1952-59), Dr. Vern O. Knudsen (1959-60) and Dr. Murphy (1960-68).

DR. THOMAS L. JACOBS
Faculty Athletic Representative

Now in his third year as UCLA's Faculty Athletic Representative is Dr. Thomas L. Jacobs. He was appointed to this position by Chancellor Charles E. Young early in 1969 to succeed the late Dr. Bradford A. Booth. This is the second time that Dr. Jacobs has held this post, having served previously in 1961.

As the Chancellor's representative to the Pacific-8 and NCAA, Dr. Jacobs works with faculty representatives from the other member schools in determining all policy matters and approving all governing legislation at the conference and national levels, including eligibility of student athletes. Last year, he served as president of the Council of the Pacific-8 Athletic Conference.

Dr. Jacobs is a long-time spectator at UCLA athletic events.

As a teacher and scholar, Dr. Jacobs is an organic chemist who has done notable fundamental research on the mechanisms of organic reaction, particularly of acetylenic and allenic compounds. He has studied the polymerization of these compounds as well. He is interested in industrial organic chemistry and has been for a long time consultant to the 3-M Company.

During World War II, Dr. Jacobs was director of an anti-malaria program for the Office of Scientific Research and Development. He also has served for many years on UCLA Academic Senate committees and during 1967-68 was the chairman of the Senate. In addition, he has served as chairman of the UCLA and University Budget Committees and in 1965-66-67 was on the Budget Review Board of the University.

He took his Bachelor's degree at Cornell College in Iowa in 1930, and his Ph.D. in chemistry at Cornell University in N.Y. in 1935. After teaching four years at Harvard, he joined the UCLA faculty in 1939.

When his teaching and research permit, Dr. Jacobs is an active golfer and enjoys camping, hiking, and angling. He is a member of the Sierra Club.

His own athletic career includes three years of football and two years of basketball at Forest City High School in Iowa and one year of football at Waldorf Junior College, also in Forest City.

Dr. Jacobs lives with his wife Ruth in West Los Angeles. They have a married daughter, Antoinette Kayser, herself a mother of three boys, who lives in Santa Barbara, and two sons, Richard, who graduated from UCLA, and William, a graduate of UC Davis.

J. D. MORGAN
Director of Athletics

J. D. Morgan is now in his ninth year as UCLA's athletic director, a position he has held with distinction since July 1, 1963. The Bruins' full 18-sport program has been most successful under his guidance.

During his eight-year tenure, as of June 25, 1971, the Bruins have won 15 NCAA team championships, more than any other university in the country over this span. UCLA has captured seven in basketball (1964-65-67-68-69-70-71), three in tennis (1965-70-71), two in both track (1966-71) and volleyball (1970-71) and one in water polo (1969).

For the second straight athletic year, the 1970-71 Bruins won four National Collegiate titles, in basketball, tennis, track and volleyball. The previous year UCLA was the champion in basketball, tennis, volleyball and water polo. (Only other school ever to achieve this unprecedented feat was USC in 1962-63, winning baseball, swimming, tennis and track.)

And, of course, J. D. is most proud of the UCLA football program during his tenure, an eight-season record, to date, of 47 wins, 32 losses and 3 ties against the toughest competition. A banner gridiron highlight came when the 1965 Bruins swept to a stunning 14-12 victory over No. 1 ranked Michigan State in the 1966 Rose Bowl game, UCLA's first Rose Bowl triumph.

In addition, his tenure has been highlighted by the move of the Athletic Department into new and permanent quarters, the return of Bruin basketball to the campus in Pauley Pavilion, opening of a new boathouse for crew at Marina del Rey and the opening in 1969 of a new on-campus track stadium.

He has been at UCLA since 1946 employed in the positions of accountant, associate business manager, tennis coach and now athletic director.

Morgan's tennis coaching career, in which he turned out 16 straight winning seasons, was featured by no less than seven UCLA team championships (1952-53-54-56-60-61-65) and four national runner-up teams (1962-63-64-66). He coached eight NCAA singles or doubles champions, including Arthur Ashe, Ian Crookenden, Allen Fox, Larry Huebner, Ron Livingston, Larry Nagler, Charles Pasarell and Bob Perry. He retired from coaching following the 1966 season.

In 1966, J. D. was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies. He's currently a member of the NCAA Basketball Tournament Committee.

He was born in Newcastle, Okla., on March 3, 1919. He attended Cordell, Okla., High School where he was an outstanding four-sport athlete in football, basketball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He is married to the former Cynthia Gray Crane. They have a son, Kevin, 16, and a daughter, Pamela, 9.

UCLA VERSUS...

THE EASTERN INDEPENDENTS

UCLA opens its 1971 season by hosting Pittsburgh, the Bruins' longest intersectional football rival. They've met every year since 1958, except 1965, with the Bruins holding an 8-4 series lead, including a current six-game win streak. Pitt is one of only three Eastern grid foes the Bruins have ever met and they hold a slim 14-12 won-loss edge over them:

Team	W	L	T
Penn State	4	2	0
Pittsburgh	8	4	0
Syracuse	2	6	0
UCLA Totals	14	12	0

THE SOUTHWEST CONFERENCE

UCLA winds up its home-and-home series with Texas' mighty Longhorns of the Southwest Conference in the Los Angeles Coliseum Sept.18. Last year, these teams met for the first time in Austin and the Bruins led 17-13 only to lose 20-17 on a 45-yd. pass play with only 12 seconds left to play. UCLA has posted a 6-8 record against the five SWC teams it has met, to date:

Team	W	L	T
Arkansas	Never Met		
Baylor	Never Met		
Rice	2	0	0
SMU	0	4	0
Texas	0	1	0
Texas A. & M.	1	2	0
TCU	3	1	0
Texas Tech	Never Met		
UCLA Totals	6	8	0

THE BIG TEN CONFERENCE

After two home games, the 1971 Bruins invade Big Ten country Sept. 25 to battle the Michigan Wolverines, a team the Bruins haven't fared too well with in two previous meetings, losing 29-6 in 1961 and 42-13 in 1956, both played in Ann Arbor. However, the Bruins hope to run their win streak to five in a row over Big Ten grid rivals, having beat Northwestern twice (1970 and '69), Wisconsin (1969) and Michigan State in 1966 Rose Bowl game since losing to MSU in 1965 opener:

Team	W	L	T
Illinois	2	5	0
Indiana	Never Met		
Iowa	4	0	0
Michigan	0	2	0
Michigan State	1	3	0
Minnesota	0	1	0
Northwestern	2	3	0
Ohio State	1	1	0
Purdue	1	0	2
Wisconsin	3	1	0
UCLA Totals	14	16	2

THE WESTERN ATHLETIC CONFERENCE

UCLA resumes football competition against a team and conference they haven't met too often in the past when the Bruins play the Arizona Wildcats of the Western Athletic Conference in Tucson Oct. 16. In fact, last time UCLA met Arizona was 53 years ago, back in 1928. Last time the Bruins played a WAC team was nine years ago, back in 1962, when they met and beat both Colorado State and Utah, UCLA holds a 6-1-1 series lead over the three WAC teams they've played:

Team	W	L	T
Arizona	0	1	1
Arizona State	Never Met		
Brigham Young	Never Met		
Colorado State	1	0	0
New Mexico	Never Met		
Texas, El Paso	Never Met		
Utah	5	0	0
Wyoming	Never Met		
UCLA Totals	6	1	1
